August 11, 2022

INTERLEAGUE PLAY PILOT ANNOUNCED FOR 2022-2023 SEASON

Hockey Alberta and our tiered Minor Hockey Leagues are proud to announce the implementation of the Interleague Play Pilot Project for the 2022-2023 hockey season.

Interleague Play is a mechanism within Alberta One that will help reduce travel by allowing associations, when the opportunity presents itself, to play League games against like-tiered teams from another Minor League. The outcome of this Pilot Project will be to identify the best overall standards required to ensure Interleague play is a viable option across the entire province to reduce travel.

For 2022-2023 season pilot, select associations from the Central Alberta Hockey League (CAHL), Northern Alberta Interlock (NAI) and Northern Eastern Alberta Hockey League (NEAHL) are participating. Associations that fit within the pre-defined Interleague travel distances and are of the same tier will be partnered together to play two-game series (home and away), with games and points earned counting towards the regular season standings of both teams.

Enclosed with this Bulletin is the complete Interleague Play Pilot Project along with associations eligible to participate and the pre-defined Interleague travel distances.

If you have any questions, please do not hesitate to contact our office.

**MINOR LEAGUES
INTERLEAGUE PLAY PILOT 2022-23**

MINOR LEAGUES INTERLEAGUE PLAY PILOT 2022-23

Background

As the landscape of hockey continues to change across Alberta, travel has been identified as one of the biggest barriers facing Associations, Teams, Participants and Leagues. As an organization, Hockey Alberta, in collaboration with our Minor Leagues, must continue to analyze the current barriers in order to bring forward innovative solutions to ensure the game remains accessible and affordable for all Albertans.

During the 2018-2019 season, Hockey Alberta and the Minor Leagues announced the introduction of the Alberta One Standardized Tiering Model & Grid. The purpose of the Standardized Tiering Model & Grid was to build a unified league structure across Alberta and a strategic model that enabled the Leagues to adopt the same tiering, seasonal structure and operational processes.

As a result of Standardized Tiering, the idea of Interleague Play was brought forward as a mechanism to reduce travel by allowing associations, when the opportunity presents itself, the ability to play games against like tiered teams from another Minor League.

Scope of the Project

Hockey Alberta and the Minor Leagues will operate an Interleague Play Pilot Project for the 2022-2023 season that will focus on reducing travel distances while substituting closer proximity games in a relatively competitive environment.

The outcome of this pilot is to identify the best overall mechanisms and standards required to ensure Interleague play is a viable option across the entire Province to reduce travel required to access the game.

Objectives

1. Reduce the overall travel burden facing participants across Alberta.
2. Determine the standards required across the Minor Leagues to operate Interleague Play.
3. Identify the associations in Alberta that would be considered ideal candidates to participate in Interleague Play.
4. Determine the ideal Interleague Play travel thresholds.

Measurables

- Distance of travel (kilometres) saved, if any, by the associations that participate in Interleague Play.
- Competitive balance amongst Standardized Tiering across the Minor Leagues.
- Number of Interleague games completed amongst each League, Division and Tier.

Key Areas to Monitor

- Game counts by League, Division and Tier could vary
- Scheduling processes used by each League.
- Ensuring Interleague Play does not increase the amount of distance travelled.

Timelines

September 1	All Leagues participating in Interleague must identify at least one (1) Executive Member as the League lead for Interleague play. This member shall also sit on the Interleague Executive Workgroup
September 10	All Associations shall submit the approximate number of teams they will have in each division to their League on or before September 10 th of the current hockey season.
October 8	Minor Leagues will communicate with all teams the proposed target number of games in the Regular Season for each Division and Tier no later than October 8 th of the current hockey season.

MINOR LEAGUES INTERLEAGUE PLAY PILOT 2022-23

November 10	Interleague Executive Workgroup to meet.
November 20	League Tiering is completed and communicated to Associations no later than November 20 th of the current hockey season.
November 21-24	Interleague Executive Workgroup to meet.
November 25	All Interleague Play matches are communicated to Associations.
November 25	Regular Season play commences no later than November 25 th of the current hockey season.
December 1	Interleague Games to be scheduled no later than December 1 st of the current hockey season.
December 2	Interleague play commences.

Distance Bubbles

As the objective of the Interleague Play Pilot Project is to reduce travel distance, distance of travel ranges have been developed based on division. While it will not be advised to exceed a distance of travel (one-way) of over 150 kilometres, exceptions based on geographic location can be made to increase the distance of travel range to no more than 200 kilometres.

Division	Distance of Travel Range (km)
U11 & U13	100 km
U15	150 km
U18	200 km

Enclosed with this document are the individual distance bubbles for each Association identified below. These distance bubbles identify the associations from other leagues that are eligible for Interleague Play based on distance of travel.

Leagues & Associations

For the purposes of the Interleague Play Pilot Project, the following Minor Leagues and Minor Hockey Associations will be eligible to participate:

Central Alberta Hockey League

3 C's	Bashaw	Battle River	Bentley
Big Valley	Blackfalds	Calmar	Camrose
Clive	Delburne	Eckville	Endmoor
Hanna	Lacombe	Maskwacis	Millet
Oyen	Ponoka	Red Deer	Rimbey
Rocky Mtn House	Stettler	Sylvan Lake	Thorsby
Thunderstars	Warburg	Wetaskiwin	

Northern Alberta Interlock

Athabasca	Barrhead	CNN	CR Knights
Drayton Valley	Edson	Elk Island	Mayerthorpe
New Sarepta	Onoway	Pembina	Redwater
Slave Lake	Smoky Lake	Thorhild	Tofield
Viking	Westlock	Whitecourt	Winfield

MINOR LEAGUES INTERLEAGUE PLAY PILOT 2022-23

North Eastern Alberta Hockey League

Bonnyville	Boyle	Cold Lake	Edgerton
Elk Point	Frog Lake	Glendon	Goodfish Lake
Hughenden	Irma	Kikino	Kitscoty
Lac La Biche	Lloydminster	Mallaig	Mannville
Marwayne	Onion Lake	Paradise Valley	Plamondon
Provost	Saddle Lake	St. Paul	Two Hills
Vegreville	Vermilion	Wainwright	

Interleague Executive Workgroup

All Minor Leagues participating in Interleague Play will identify at least one (1) Executive Member to lead and oversee the process of scheduling Interleague Games, providing guidance to the associations as needed. This Executive Member(s) will also sit on a larger Interleague Executive Workgroup, whose sole responsibility will be to ensure the completion and scheduling of Interleague play across the province.

Scheduling

Upon the finalization of Tiering, Leagues participating in Interleague Play, will leave a minimum of 25% of the schedule for eligible Interleague associations as 'Interleague To Be Announced' or 'ILTBA'. The remaining ILTBA schedule will be allotted for the scheduling of Interleague Games. Once Interleague games are scheduled, any games remaining will be filled through normal League Play.

Number of Regular Season Games	Minimum Number of Regular Season Games Allotted for Interleague Play, where possible
14 Games	Four (4) Games
15 Games	Four (4) Games
16 Games	Four (4) Games
17 Games	Four (4) Games
18 Games	Four (4) Games
19 Games	Five (5) Games
20 Games	Five (5) Games
21 Games	Five (5) Games
22 Games	Six (6) Games
23 Games	Six (6) Games
24 Games	Six (6) Games

It will be the responsibility of the Interleague Executive Workgroup to match teams with one another based on tiering and travel distance for the purposes of scheduling Interleague Games. Once teams are matched together, the contact information for both teams shall be shared with each other to ensure that the Interleague Games can be scheduled.

When scheduling Interleague Games, two (2) games shall be scheduled with the matched Interleague teams to allow for a home-and-away series. Once scheduled, both associations are responsible for updating their respective league of the scheduled game dates, times and locations.

Upon completion of the first scheduled game amongst the matched Interleague teams, should the result indicate that the two (2) teams may not be a viable Interleague match, a request can be made to reschedule the second game of the series. Requests are to be made to the Interleague Executive Workgroup, via either team's Interleague Executive Member(s), and must include appropriate rationale for why the game should be rescheduled. Final decisions will be made by the Interleague Executive Workgroup. If approved, the second game can be substituted for either another Interleague game or filled with a game from within that teams League.

MINOR LEAGUES INTERLEAGUE PLAY PILOT 2022-23

Should a team only have one (1) viable Interleague match based on tiering, one (1) two (2) game series shall be scheduled amongst those teams. Teams will not be scheduled for additional two (2) game series in order to meet the allotted minimum number of Interleague Games .

Communication

Should a participating Interleague Minor Hockey Association have any questions related to the scheduling or implementation of Interleague Play, they shall communicate directly with their League Executive Members who sit on the Interleague Executive Workgroup.

Gameplay

Warmup and game length for any Interleague game will be determined using the Minor League Rules and Regulations of the team hosting the game. It will be the responsibility of the visiting team Manager to reach out to the Manager of the home team to inquire on specific rules applicable to the game from the home/host League (ie: game length, drop clock, etc...)

Interleague games will count as Regular Season games and will have points earned counted towards the Regular Season Standings of both participating teams.

All discipline will meet Hockey Canada and Hockey Alberta Minimum Suspension Guidelines. Additionally, each Minor League will enforce their specific rules on the team that resides within their league. Minor Leagues will not be eligible to give additional discipline or fines to the teams that do not reside in their League.

For all Interleague games, both teams will be responsible for reporting the game results to their own league, entering the game results onto their respective leagues website as required. Hockey Alberta and League Discipline Practices will be followed to address any in-game discipline or any other discipline or clarifications required.

Interleague Play will take priority over attending a tournament or playing an exhibition game.

Interleague Play – Distance Bubbles

Distance of travel ranges (bubbles) have been developed for the Minor Leagues Interleague Play Pilot Project based on division. Distance of travel should not exceed the 150 km (one-way); however, exceptions based on geographic location can be made.

The Interleague Executive Workgroup will utilize the distance bubbles when matching teams in the same regular season tier together for the purpose of Interleague Play.
