

2023 NDLA PARENT AND ATHLETE CODE OF CONDUCT

The NDLA acknowledges the need to support our athletes, coaches, volunteers, and officials. We want to set the expectations regarding parent and player conduct and have developed this code of conduct to make this clear for all involved to ensure a successful season. Every parent/guardian and athlete will be asked to review this document, and then sign and return to your team manager. At any point in the season if the Code of Conduct is not followed you may be asked to leave an event. This could result in a warning or suspension of the parent/guardian or athlete.

Parent/Guardian: I hereby state that:

- I agree that I will not discuss any concerns from a game, practice or team event for a period of 24 hours (cooling off period), before discussing the matter with a team official I will first discuss the issue with my child to determine if the issue needs to be addressed. If it needs to be addressed, I will approach the Team Manager or Coach with respect to the process that is in place for the resolution of team issues.
- I will not approach the bench during or at the conclusion of a game or practice session. If my child is injured, I will wait for instructions from the Coach, Assistant Coach or Manager.
- I will not approach officials at any time under any circumstance during or after a game. If there is an issue, I will abide by the 24 hour cooling off period above and communicate with team personnel.
- I will not publicly criticize players, coaches, officials, volunteers, or other parents. I will not be under the influence of alcohol, or any illegal drug while at games or practices and I will not use profane, insulting, harassing or otherwise offensive/derogatory language.

Athlete: I hereby state that:

- I will use every effort to be a positive member of my team and always exhibit good sportsmanship during lacrosse.
- I will keep in mind that this is an extra-curricular activity and will keep my behavior at an appropriate level so that I may participate with my teammates.
- I will attempt to attend and actively participate in every practice and event that is scheduled. If I am unable to make it, I (my family) will inform my coaches that I will be missing the event.
- I will practice and play to the best of my ability within the rules of lacrosse.
- I recognize that I am playing a team sport, my team's success is more important than my own personal success.
- I will not criticize the performance of another teammate, a coach's decision, a referee's call, or an opponent.
- I will conduct myself in a respectable manner at practices and games.
- I will not attempt ever to deliberately injure any other player during practices or games.

In addition, as Nanaimo Timbermen, parents and athletes are also members of the British Columbia Lacrosse Association and subject to the Following Fair Play Codes
