POLICY AND PROCEDURES – Appendix C

Northern Alberta Women's Ringette Association

PLAYDOWN FORMAT

Format will be double knockout. Decision to proceed with playdowns within a division will depend on number of teams committed to attend and number of provincial spots available.

Teams wanting to compete in playdowns cannot attend tournaments during that time.

Results from Session 1 & 2 will be used to determine playdown ranking, with teams ranked by win%/loss% of league games played by January 17 /23 (or 15th as per policy). In case of tie, teams with highest goals for, then lowest goals against average will rank higher. Division cross over games will not counted in averages.

Start date of playdowns will be last week of January / first week of February – will be determined once commitment to attend is received.
