Business Arising		
New Business	<p>Director's Update: Tara-Lynn Miller was welcomed as the Director of skills and training.</p> <p>Kiara Jefferies has been very active with the social media posts, which has gotten great feedback. The feedback has been great regarding the senior division.</p>	The executive will connect with Tara-Lynn regarding the needs of the membership re: skills for the March Break. Tara-Lynn will update the executive with her skills plans.

	<p>President's Report Mike Brideau During the month of January, there was minimal contact with the OWHA. It was incredibly frustrating to continue planning with the lack of direction and the Covid-19 pause in play. Spring tryouts and provincials will be moving forward this year.</p> <p>Vice President's Report Chris Olsen Deferred</p> <p>Treasurer's Report Sarah Bush Deferred</p> <p>Scheduler's Report Shauna Ouellette Rescheduling of games have commenced, and all games have successfully been rescheduled for all teams. There is one association team that will need to be contacted regarding one outstanding game. The senior teams were all scheduled. Some of the ice that was returned for the March Break was able to be successfully recalled. The winter skills ice was returned to the city. The time keepers have been scheduled until next weekend, with some games requiring keepers assigned.</p> <p>Competitive Report Jeff Roynon Rescheduling was a large aspect of the NDHL meeting. There are some difficulties scheduling with Southern teams for the U15 and U18 AA teams. There was a conversation re: U15 AA Team, and Dave Dugas is wishing to continue in his role. There is a possibility of all of our rep level teams playing in girls' loops in the future. A request was made to firm up the catalogue with Skater's North. Socks are a necessity for the association for next year. Paul will be attending a future meeting to discuss the needs of our membership and ensuring stock is present for our players. The coaching applications will need to be distributed ASAP. Some</p>	<p>Mike will look in to the possibility of adding a PWWL team to the league.</p>

discussion around looking in to the start of a senior competitive team.

House League Report

Lucas Horsman

Positive feedback from the parents regarding the rescheduling of all of the games. The senior division had a great start, the fans were very excited to watch. There has been continued interest from many other players for next season. There appears to be room for much growth within the association.

Registration Update

Paul Courville

There are 45 registrations in the senior division, and registration had to close for this season. There are some transfers from other associations that require some finalizing. Total registration is currently: 290. The City of North Bay will need to be notified that more ice time is required for next season.

New Business:

a) Provincials Update

Mike Brideau

Two teams have a bye to provincials (U11A and U13B). The remainder of the teams will need to play down against Sudbury.

b) SJSH Letter

Mike Brideau

Tyler Miller is seeking endorsement for a hockey skills academy through Scollard Hall. Some discussion around the reason for endorsement is needed to make a decision around providing endorsement to Tyler for his request.

c) Coaching Applications/Evaluations

Mike Brideau

Coaching applications need to be sent out as soon as possible. The applications will be sent to Lucas and Jeff, and they will connect with Chris regarding any applications that are not a conflict. The

	<p>evaluations will be made available for all executive members to view. Any member who would like to speak directly to the executive, can connect with Mike and he and another executive member will meet with the family to review their coaching evaluation.</p> <p>d) Next Season plans: There is some discussion around our rep level teams playing in the northern/southern loops. There was some discussion around the secondary teams playing in the age group below, and the player safety concern.</p>	<p>Mike will reach out to the neighbouring associations regarding our rep teams.</p>
Next Meeting	<p>The next meeting will be Sunday March 13 @ 7:00 pm via Teams Meeting adjourned at 8:45 pm</p>
