

Please see playoff format brackets for the U13 Tier 1 and 2 split division.

Each series will be a best of 3 series, with the higher regular season seeded team will have the choice to host games 1 and 3, or 2 and 3. If teams are more than 300km apart in driving distance, the higher regular seeded team will have choice of one venue as to where all games (necessary) will be played.

As shown in the brackets below, some series will have the first two weekends to complete their games. They can be played either Weekend 1 or Weekend 2, or a combination over the two weekends.

Hockey Alberta playoff game play rules will be followed in regards to situations such as tied playoff games and overtime. <https://www.neahl.ca/content/overtime>.

Mar 14th weekend will be an off weekend for teams that qualified for Provincials which will be hosted the following weekend Mar 19th (Tier 1 in Red Deer, Tier 2 in Whitecourt). The NEAHL has been selected to send a wild card team to 13A Provincials (Tier 1), so this will be the 2nd place team in Tier 1 (loser of Tier 1 Final).
