

NEPEAN RINGETTE ASSOCIATION

Full time Goalie Rebate Form

Contact: treasurer@nepeanravens.ca

In order to meet the needs of our Association, the “goalie rebate” covers all ‘full time’ goalies.

Conditions for the Full Time Goalie Rebate are:

1. The player applying must be a ‘full-time’ goalie, play only the goalie position and not play out as a skater. The goalie can be part of a 2-goalie rotation.
2. The player must not be in a division where all players are required to rotate through the goalie position (currently applies to FUN1, FUN2 and FUN3 divisions).
3. The player must not be on a team where 3 or more players rotate through the goalie position.
4. The player’s NRA registration fees must be paid in full for the season.

Goalies meeting the above conditions may apply for the rebate by completing this form. Forms should be completed, signed by the Head Coach and submitted by March 1 to the Nepean Ravens Treasurer and will be paid by e-transfer. Applications will be approved by the NRA Executive. For more information, or if you have any questions, please contact the Treasurer by email at:
