Volunteer Appreciation Policy

Adopted on: January 22, 2023
Approved by: NEUSC Board of Directors
Last Updated: January 22, 2023

The North East United Soccer Club (NEUSC) has implemented the following policy as a means of offering a token of appreciation to all volunteers that support the success of the NEUSC programming.

Parent and Adult Volunteer Coaches

Any adult who volunteers with the NEUSC in a coaching capacity will be offered a promo code valued at \$150 to be used towards subsequent programming costs for themselves, their child or a person of their choosing at their discretion. Promo codes will be provided following the completion of a full program, i.e. a metro season or indoor program which includes both fall and winter sessions.

Student Coaches

Students (high school and university) who support the NEUSC will be provided an honorarium of \$150 for each program they support up to a total of \$300 per year. Students will be required to be supporting NEUSC in a full-time coaching capacity in order to qualify for this honorarium.

Referees

Youth level referees who support the NEUSC will be provided an honorarium at the end of the summer house league program. Honorarium will be based on a payment of \$10 per game refereed.

District level referees who support the NEUSC will be provided an honorarium at the end of the applicable program they have supported. Honorarium will be based on a payment of \$25 per game refereed.
