

APPENDIX III – Coaching Certification

NATIONAL COACHES CERTIFICATION PROGRAM (N.C.C.P.)

The National Coaching Certification Program (NCCP) is a nation-wide training program designed to develop coaching excellence. The levels of the NCCP have been carefully designed by Baseball Canada to meet the needs of a wide range of coaches, from novice to elite.

How do I start my training as a baseball coach?

All coach training by Baseball Canada is now started through an on-line module at <http://nccp.baseball.ca>. Just type this URL into your computer address line. This site was developed by Baseball Canada as part of the *Initiation Coach* program. It is an inter-active self-directed training tool that you complete at your own pace and convenience. It costs \$37.45 (including taxes) and gives you access to on-line video drills, materials, practice plans and skill development tools in an easy to follow format. You continue to have access to the site after completing the on-line portion of the entry course. The focus of this module is on the 'What to Coach?' side of coaching. Once you complete the course you will be given a choice of workshops where the focus will be on the "How to Coach?" side.

Baseball Manitoba is proud to be a part of Responsible Coaching Movement, please refer to our policies web page for our Screening Policy.
