Notes to members:

Membership Fees: NLSA Membership fees are applicable for each calendar year January 1st - December 31st. Membership fees are invoiced to member clubs based on club membership totals for each age category annually .

Levies, fees, fines and other fees for services are payable when rendered. Accounts outstanding more than 30 days will be subject to a prorated 2% per month service charge. Accounts not paid in full by the date of any NLSA general meeting will also result in loss of membership privileges at those meetings.

All fines for forfeiting games in any Provincial League must be paid within 10 business days of receipt of the fine or before participation in any Provincial Tournament or League Final Weekend, whichever comes first. Failure to pay by the deadline will result in all players and coaching staff registered with that team being put in bad standing with the NLSA. No player or member of the coaching staff will be eligible to participate in any NLSA activity until the fine has been paid. This fine is not appealable.
