The Newfoundland and Labrador Soccer Association is seeking a motivated, passionate, team-oriented candidate to fill the full-time technical staff position of Director of Player Development. The individual will report directly to the NLSA Board of Directors.

Duties & Responsibilities

- Work closely with NLSA member clubs and regions to deliver all initiatives from Canada Soccer's development department
- Lead province-wide compliance and ongoing implementation of Canada Soccer's Long-Term Player Development plan
- Lead and manage all aspects of the NLSA provincial teams program including talent identification, technical direction, recruitment and management of honorarium-based volunteer staff, budgeting, administration, and program logistics
- Work closely with our partners, Vancouver Whitecaps FC, to plan and direct the NL Academy Center and deliver all associated programs
- Serve on various technical committees within the province, the Atlantic Region, and with Canada Soccer
- Direct province-wide youth competition structures
- Support role in coaching education and certification
- Support role in Canada Soccer Club Licensing program

Experience & Qualifications

- Minimum 5 years working experience in a full time Technical Leadership role
- 5-10 years coaching experience across a variety of environments from grassroots, development, and high-performance programs
- Minimum Canada Soccer National B Coaching License
- Canada Soccer & NCCP Learning Facilitator and Master Learning Facilitator certification would be a strong asset
- A University degree in a sports related field would be a strong asset

Skills & Assets

- Strong organization and time management skills with high attention to detail
