All fines for forfeiting games in any Provincial League must be paid within 10 business days of receipt of the fine or before participation in any Provincial Tournament or League Final Weekend, whichever comes first. Failure to pay by the deadline will result in all players and coaching staff registered with that team being put in bad standing with the NLSA. No player or member of the coaching staff will be eligible to participate in any NLSA activity until the fine has been paid. This fine is not appealable.
