- 2.2.8. Youth players from a lower level of competition (the Championship League or a lower age group in the Premier League) may be called up for a maximum of 7 games to any youth team. The first call up renders the player cup-tied to that team.
- 2.2.9. In Youth U15 and U17 Premier Leagues, AP players are only permitted if the number of players available for the game is less than 15. In the case where 15 outfield players are available but no keeper is available, a request may be made to the League Administrator to call up a keeper.
- 2.2.10. Senior players may register with a Recreational and Premier League team.

- 2.2.22. In essence this means you have 2 options with the U20 players:

 - 2.2.22.2. Call them up for unlimited games while keeping a spot open for them on the roster of 25 and adding them to that roster by **July 31, 2024.**
- 2.2.23. Until added to the roster of 25 these players must have AP status on the game sheet. Teams are responsible to make sure AP players who become permanent players have the AP designation removed.
- 2.2.24. An U18 player who played U17 T1 in 2023 playing in the U18 Championships League CANNOT be called up to Intermediate or Challenge Cup. These players were given an exemption to play U18 because we were told they had nowhere else to play and were not ready to play Intermediate or Challenge Cup.
