NORTH AMERICAN PREP TRAVEL POLICY

A significant portion of NA Prep participation involves overnight travel for youth teams to games and tournaments. During travel, players may be away from their families and support networks, and the setting – unfamiliar locker rooms, automobiles, and hotel rooms – is less structured and less familiar. A travel policy provides guidelines to take care while minors and adults travel. Further, the policy directs how minor players will be supervised between and during travel to and from practice and games. Adherence to travel policies helps to reduce misconduct.

North American Prep requires that all teams have travel policies applicable to their youth teams and to provide the guidelines to all players, parents, coaches, and other adults that are traveling with the group. It is strongly recommended that a signature by each adult acknowledging receipt of and agreeing to the travel policy be obtained by the local program/team.

Some travel involves only local travel to and from local practices, games, and events, while other travel involves overnight stays. Different policies should apply to these two types of travel. The form of the policy below is a sample only but may be modified by the local program to meet its specific needs and travel.

NORTH AMERICAN PREP'S TRAVEL POLICY

NA Prep has teams that regularly travel to play individual games, two or three games at a time, or in tournaments. NA Prep has established policies to guide our travel, minimize one-on-one interactions and reduce the risk of abuse or misconduct. Adherence to these travel guidelines will increase player safety and improve the player's experience while keeping travel a fun and enjoyable experience. We distinguish between travel to training, practice, and local games or practices ("local travel") and team travel involving a coordinated overnight stay ("team travel").

LOCAL TRAVEL

Local travel occurs when NA Prep or one of its teams does not sponsor, coordinate, or arrange for travel.

- Players and/or their parents/guardians are responsible for making all arrangements for local travel. The team and its coaches, managers, or administrators should avoid responsibility for arranging or coordinating local travel. It is the responsibility of the parents/guardians to ensure the person transporting the minor player maintains the proper safety and legal requirements, including, but not limited to, a valid driver's license, automobile liability insurance, a vehicle in safe working order, and compliance with applicable state laws.

TRAVEL POLICY

- The employees, coaches, and/or volunteers of NA Prep or one of its teams, which are not also acting as a parent, should not drive alone with an unrelated minor player and should only drive with at least two players or another adult at all times unless otherwise agreed to in writing by the minor player's parent ([NA Prep Travel Document](#))
- Where an employee, coach, and/or volunteer is involved in an unrelated minor player's local travel, efforts should be made to ensure that the adult personnel is not alone with the unrelated player by, e.g., picking up or dropping off the players in groups. In any case where an employee, coach and/or volunteer is involved in the player's local travel, a parental release should be obtained in advance. ([NA Prep Travel Document](#))
- Employees, coaches, and volunteers who are also a player's parent or guardian may provide shared transportation for any player(s) if they pick up their player first and drop off their player last in any shared or carpool travel arrangement.
- It is recognized that in some limited instances, it will be unavoidable for an employee, coach, or volunteer of NA Prep or one of its teams to drive alone with an unrelated minor player. However, efforts should be made to minimize these occurrences and mitigate any circumstances that could lead to allegations of abuse or misconduct.

TEAM TRAVEL

Team travel is overnight travel that occurs when NA Prep or one of its team's sponsors coordinates or arranges for travel so that our teams can compete locally, regionally, nationally, or internationally. Because of the greater distances, coaches, staff, volunteers, and chaperones will often travel with the players.

- When possible, NA Prep will provide reasonable advance notice before team travel. Travel notice will also include designated team hotels for overnight stays and a contact person within NA Prep or the team. This individual will be the point of contact to confirm your intention to travel and to help with travel details.
- NA Prep will post specific travel itineraries when they become available. These will include a more detailed schedule and contact information for team travel chaperones. NA Prep will make efforts to provide adequate supervision through coaches and other adult chaperones. NA Prep will make efforts so that there is at least one coach or adult chaperone for each five to eight players. If a team is composed of both male and female players, then we will attempt to arrange chaperones of both genders. However, we rely on parents to serve as chaperones and may be limited in providing this match.
- Regardless of gender, a coach shall not share a hotel room or other sleeping arrangement with a minor player (unless the coach is the parent, guardian, or sibling of the player).
- Because of the greater distances, coaches, staff, volunteers, and chaperones will often travel with the players. No employee, coach, or volunteer will engage in team travel without the proper safety requirements in place and on record, including valid drivers' licenses, automobile liability insurance as required by applicable state law, a vehicle in safe working order, and compliance with all state laws. All chaperones shall have been screened in compliance with the AAU Hockey Screening Policy, all team drivers shall have been screened, and the screen shall include a check of appropriate Department of Motor Vehicle records. A parent that has not been screened may participate in team activities and assist with supervision/monitoring of the players but will not be permitted to have any one-on-one interactions with players.
- Players should share rooms with other players of the same gender, with the appropriate number of players assigned per room depending on accommodations.

2022.23 TRAVEL POLICY

- The coach will establish a curfew by when all players must be in their hotel rooms or in a supervised location. Regular monitoring and curfew checks will be made of each room by at least two properly screened adults.

- Family members who wish to stay in the team hotel are permitted and encouraged to do so.

- Meetings do not occur in hotel rooms, but the team may reserve a separate space for adults and athletes to socialize.
- If disciplinary action against a player is required while the player is traveling without his/her parents, then except where immediate action is necessary, parents will be notified before any action is taken or immediately after the action.
- No coach or chaperone shall at any time be under the influence of alcohol or drugs while performing their coaching and/or chaperoning duties.
- In all cases involving travel, parents have the right to transport their minor player and have the minor player stay in their hotel room.
