

**Below is a diagram of the concession building and a list of the appropriate social distancing measures in effect.**

- \* Washrooms (mens and ladies) are maintained by the City of Delta. Anyone using the facilities is required to wash their hands before exiting. If there are any issues with the facilities, report immediately to an executive member or designated safety officer.
- \* Change rooms (located on north side of building) will remain CLOSED at all times.
- \* A maximum of 2 people are allowed in the Equipment room at one time, must maintain a social distance of 2m and must be wearing face masks.
- \* A maximum of 2 people are allowed in the Concession room at one time, must maintain a social distance of 2 m and must be wearing a face mask.
- \* Arrows to direct the flow of traffic and markers for social distancing will be placed around the Concession building. Cones will be used to block separate points of entry but will be moveable if needed for wheelchair and stroller access.
- \* No parent, player, coach or spectator may be on the Concession building deck unless necessary (valid reasons are to use the washroom, see equipment manager or to purchase from concession.)
