\* T-shirts, zip jackets, leggings, and shorts are from Ivivva and Lululemon. Please know what size your child wears as there are no returns once they are ordered. You can go into the Ivivva store and Lululemon store in West Edmonton Mall to try on sizes if you are not sure.

\*\*I will have a swimsuit sizing kit available to fit the athletes on Monday, September 10th, Tuesday, September 11th and Thursday, September 13th. I will be available each of those nights starting at 5:30 at the pools. Monday and Thursday I will be at Kinsmen pool on deck outside of the changerooms. Tuesday I will be at Terwilligar Rec Centre just outside of the stretch room. If your child will need a swim suit please make sure to come to one of those nights and I will assist you with sizing. If you cannot make it to one of these nights and your child does require a suit please contact me so I can arrange a time to meet. I will only have the swimsuit sizing kit for this one week.

**All MANDATORY ITEMS PURCHASED THROUGH CLUB:** Nova Swim Cap, Nova Club Suit (reversible for Black Figure Suit), Club T-shirt, and Club Zip Jacket.

**GENERAL MANDATORY ITEMS:** White swim cap and nose clips are required, they can be purchased anywhere or through the Club. Black shorts and black yoga pants are required and can be purchased through the club or separately.

**NOTE:** Caps and nose plugs can be purchased throughout the year. It is best to purchase a few nose clips and a couple caps as these often get lost.
