

PAYMENT

Your initial payment covers September & October training. There is the option to pay the remainder of the season in monthly payments or upfront as one full payment. Set up for this happens on registration night at your first practice.

VOLUNTEERING

As a part of Nova's Teen Rec program there are 3 requirements of families. Each family is asked to submit 3x \$500 cheques which will only be cashed if the family does not meet the requirements:

- #1- volunteering with the club & at the Nova hosted competition. You are required to collect 5 volunteer points throughout the season. Ways to collect points could be hosting/organizing a team bonding activity (1 point), attending the 4 parent meetings throughout the season (.5 points each), counting laps at the swim-a-thon (1 point), etc. You are also required to volunteer for 1-2 shifts the years Nova hosts a competition in Edmonton.
- #2- fundraising. Nova often hosts 1 large event every season as well as small fundraisers throughout the season. There is always the option to payout the funds if you choose not to fundraise.
- #3- casino. We host a casino approx every 2 years which pays for ALL of Nova's pool space. Depending on registration numbers families will be required to fill 1-2 shifts.

WARDROBE:

All swimmers that are part of our Teen Rec programs are required to have the following wardrobe items. These can be purchased new at the beginning of the season or there is an opportunity to buy from other families who have outgrown their items.

- Nova swim cap. \$15
- Nova tech t-shirt. \$22.

All full season program are also required to purchase a routine suit as part of their costume when they perform. Exact cost varies team to team, approx \$50.

EVENTS:

- Swim-a-thon. 1 Saturday morning in October at U of A. This is Nova's annual fundraising event.
- Club Watershows. 3x throughout the season in December, March and May. An opportunity for all programs from the club to share their routines.
- Spring Splash Recreational Showcase. This is a one day event hosted by Alberta Artistic Swimming in Red Deer the first Saturday in May. The event includes an opportunity for recreational teams from across the province to share their routines and participate in workshops. Transportation is the responsibility of each family. Cost is approx. \$50.
