

INSTRUCTIONS FOR **MINOR OFFICIALS** TO USE THE RAMP GAMESHEET APP

ALL Minor Officials (timekeepers and scorers) must download the RAMP Game sheet APP  (free) on their smartphones. This app is to be used for all leagues that are using the Gamesheet app.

Depending on your smartphone (Android or Apple) you must go to the Google Play store or the App store.

Minor officials will need a Game Code to start the game; there will be a different code for each game. Once the timekeeper has their "GameSheet Code" to access the game sheet, for that game, they can then complete their responsibilities as the game progresses. Game codes can be found in a number of ways:

- The League (or your Assignor) will provide the code to you OR
- The Home team will provide the Game code OR
- The Tournament or League Convenor will provide Game Codes

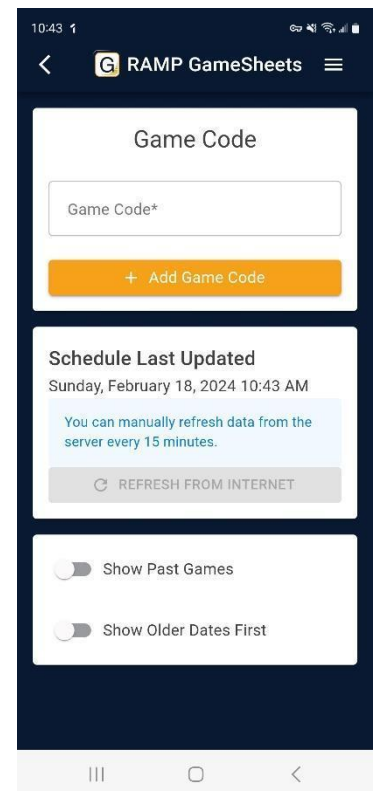

Once downloaded, you will need to create a personal account so that you can access the app. This account is **not** tied to a team or the NSLOA; It is your personal account. Once created, your home screen will look like the following image below on the right.
