

RAMP Team Login

NSSL RAMP Website: <http://www.nssoccerleague.ca>

Team Login URL: <https://admin.rampcms.com/login>

All divisions in the NSSL will be using the RAMP GameSheet App for the upcoming 2023-2024 Indoor season, this will replace the traditional paper gamesheets. Included below is a step by step set of instructions for teams to go through.

Team Logins – all team head coaches and managers have been e-mailed username and passwords to be able to login to the team page. Teams who do not have a coach or manager listed will not have received this information.

1. Use the team login link (above) along with the username and password sent via e-mail to login

2. Once logged in, this will bring you to your team page, from here you will be able to access all specific game codes and specific team codes.

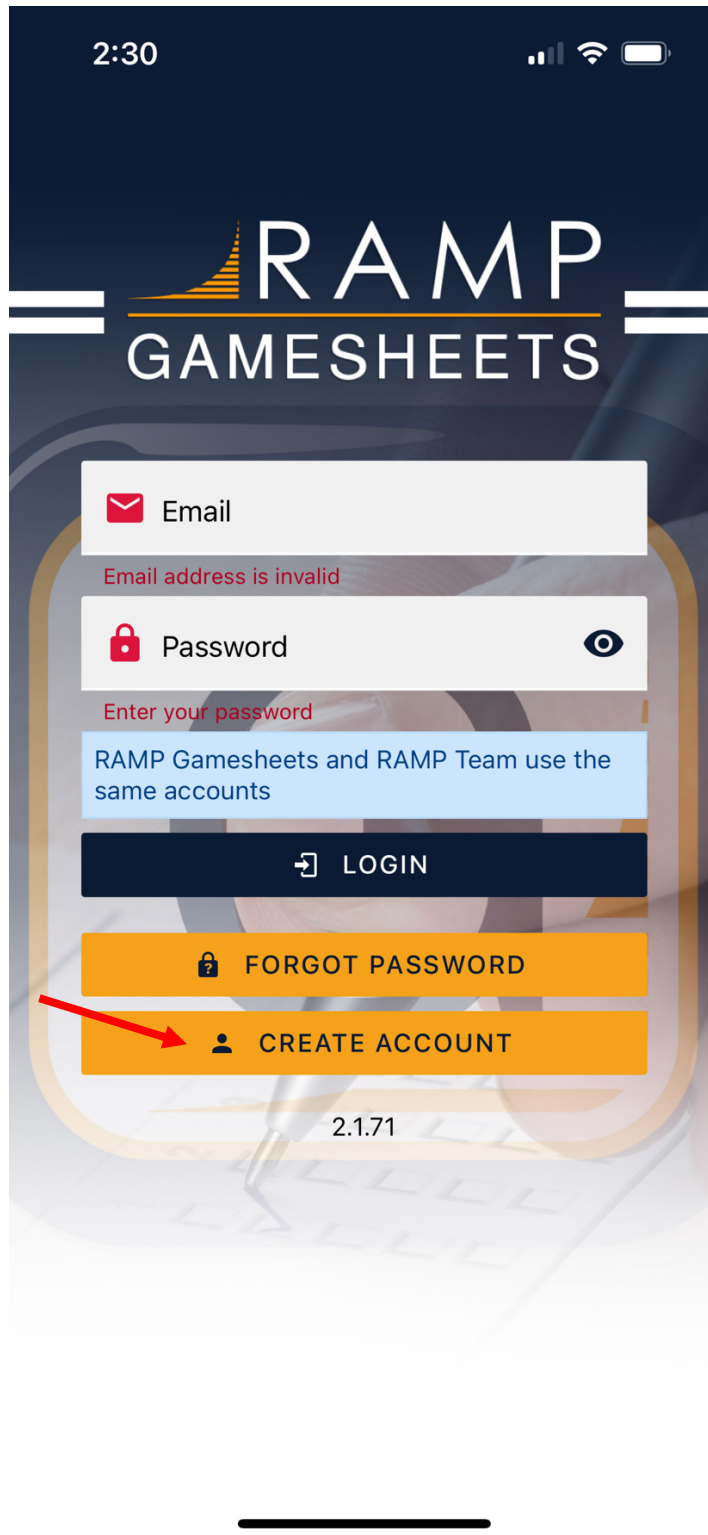

The team code listed on this page is unique to your team page.

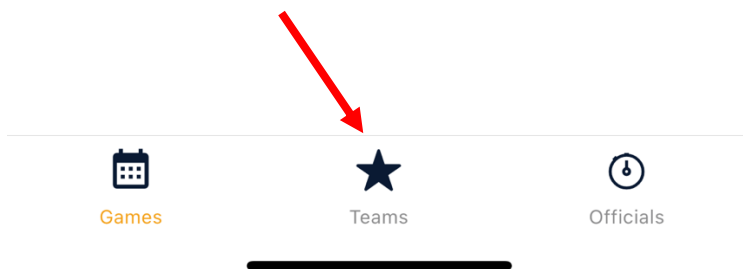

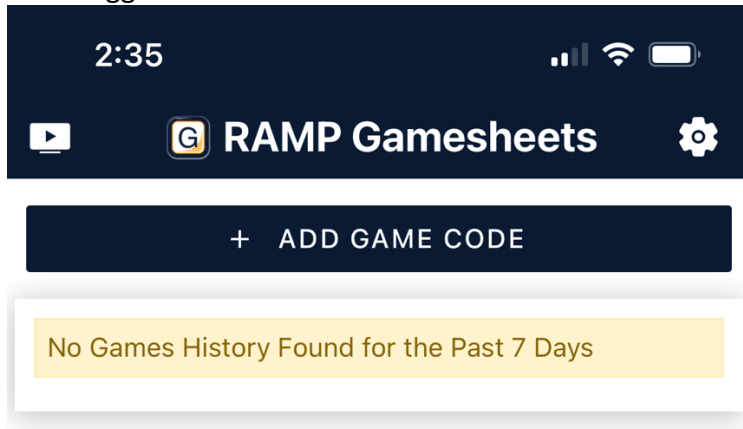

3. Use the link on this page (image above) to download the RAMPGameSheets app on your phone. Alternatively search RAMPGameSheets from the Apple app store or Google Play store.

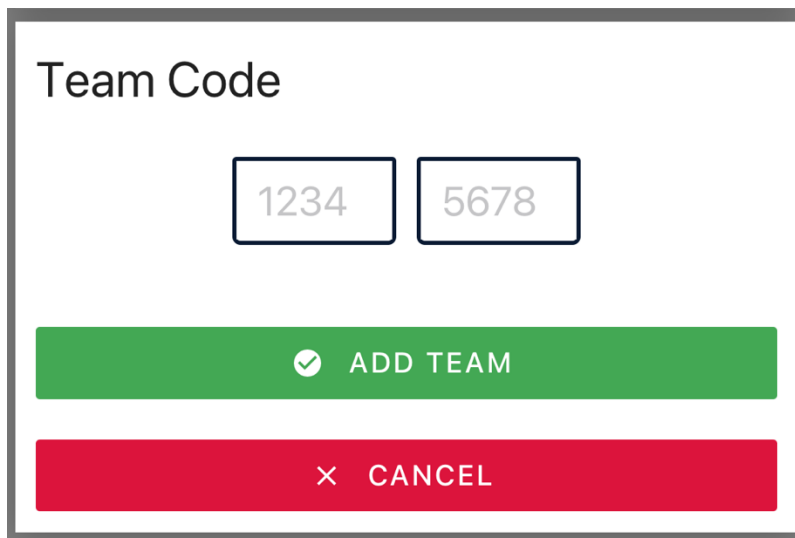

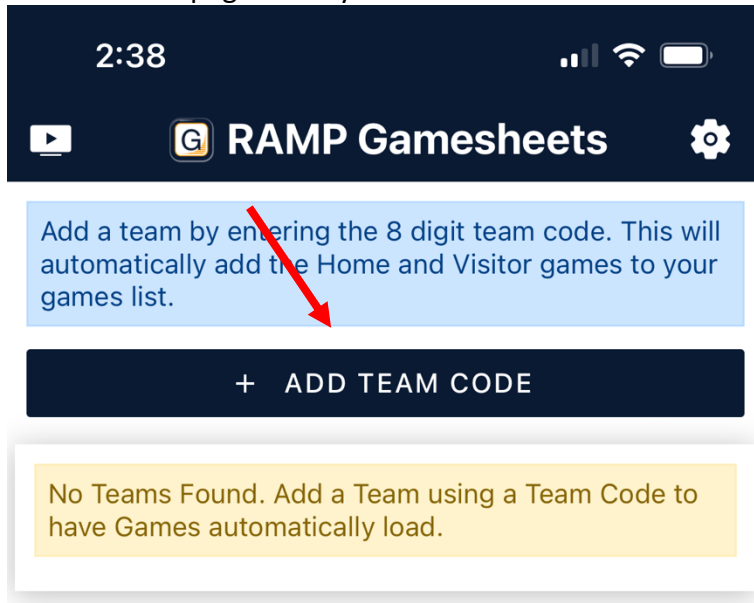

4. Create an account with the create account button, this is a unique account for each person and not a team. Note: if you have already created an account, you can use that account.

5. Once logged in click on the teams button at the bottom

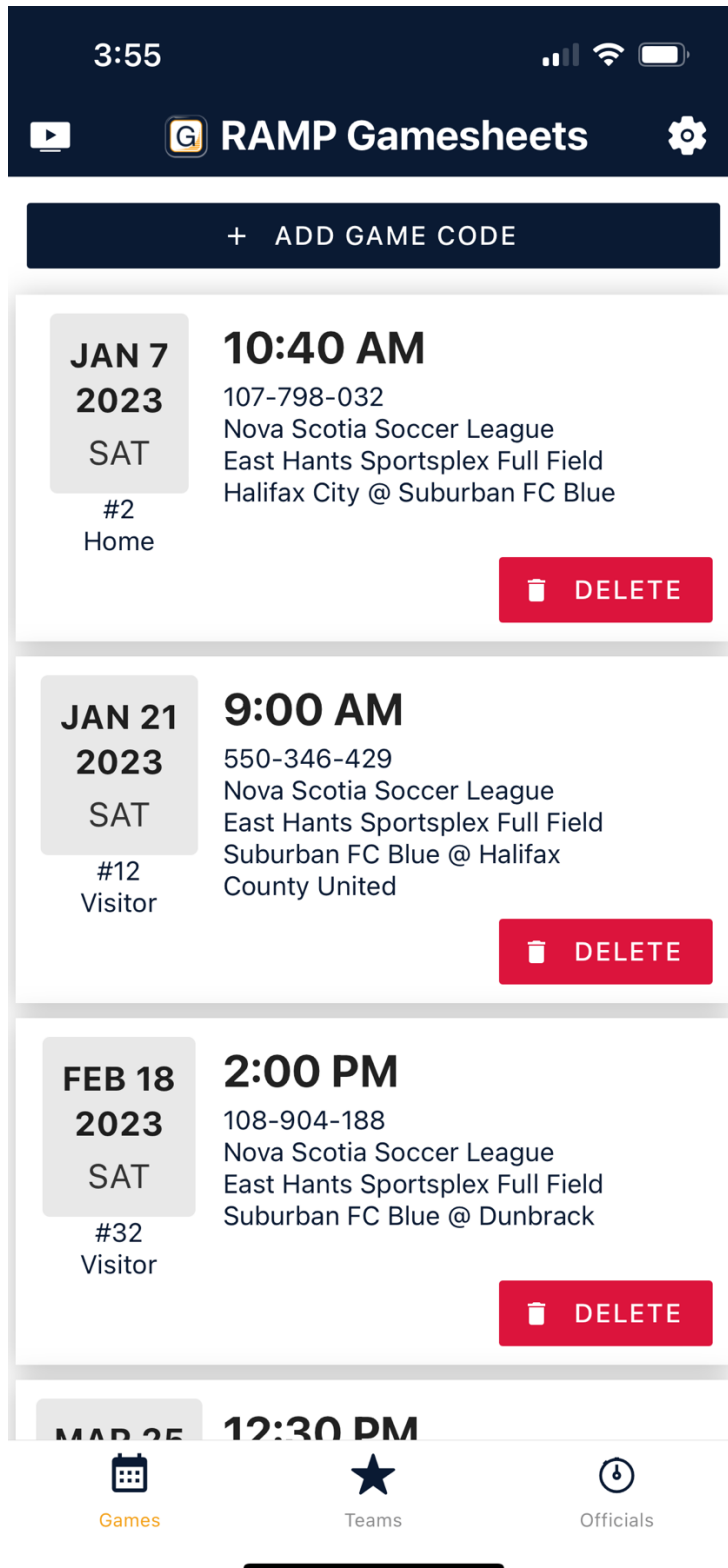

6. On the teams page enter your team code from the initial team page login.

7. It will take a few minutes to load the teams game, once it does populate your teams games. To view games click the games button at the bottom of the screen.

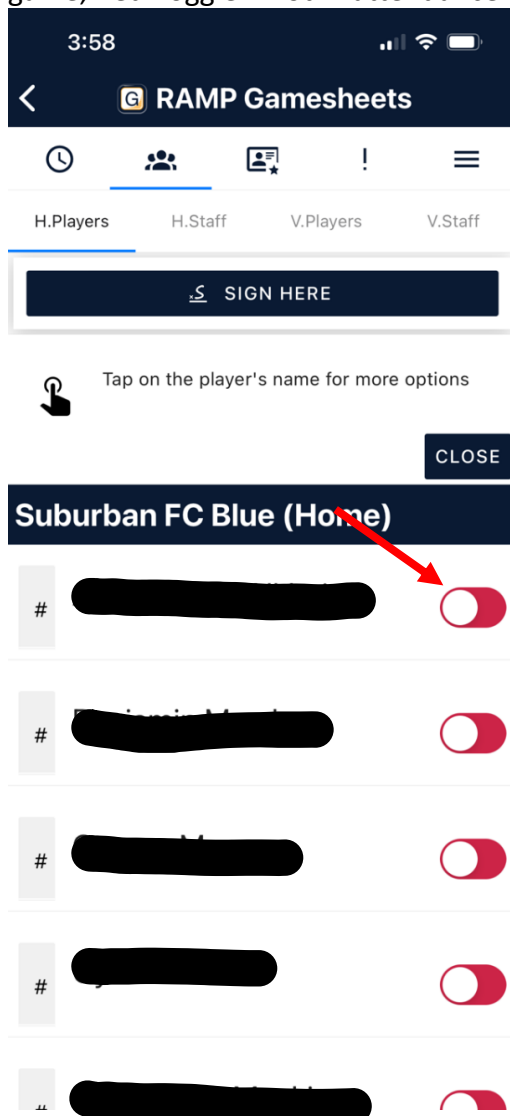

8. This will pull up a list of your teams game, click on the game you wish to submit a roster for.

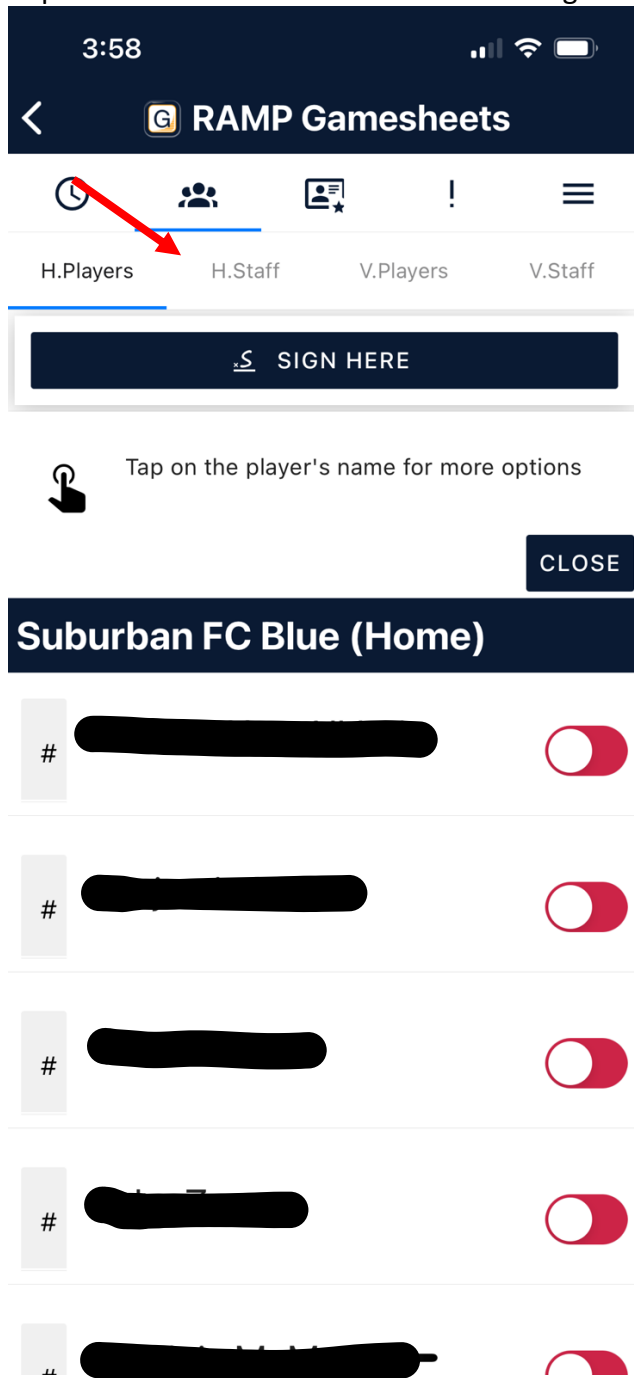

9. Select the roster button from the top menu.

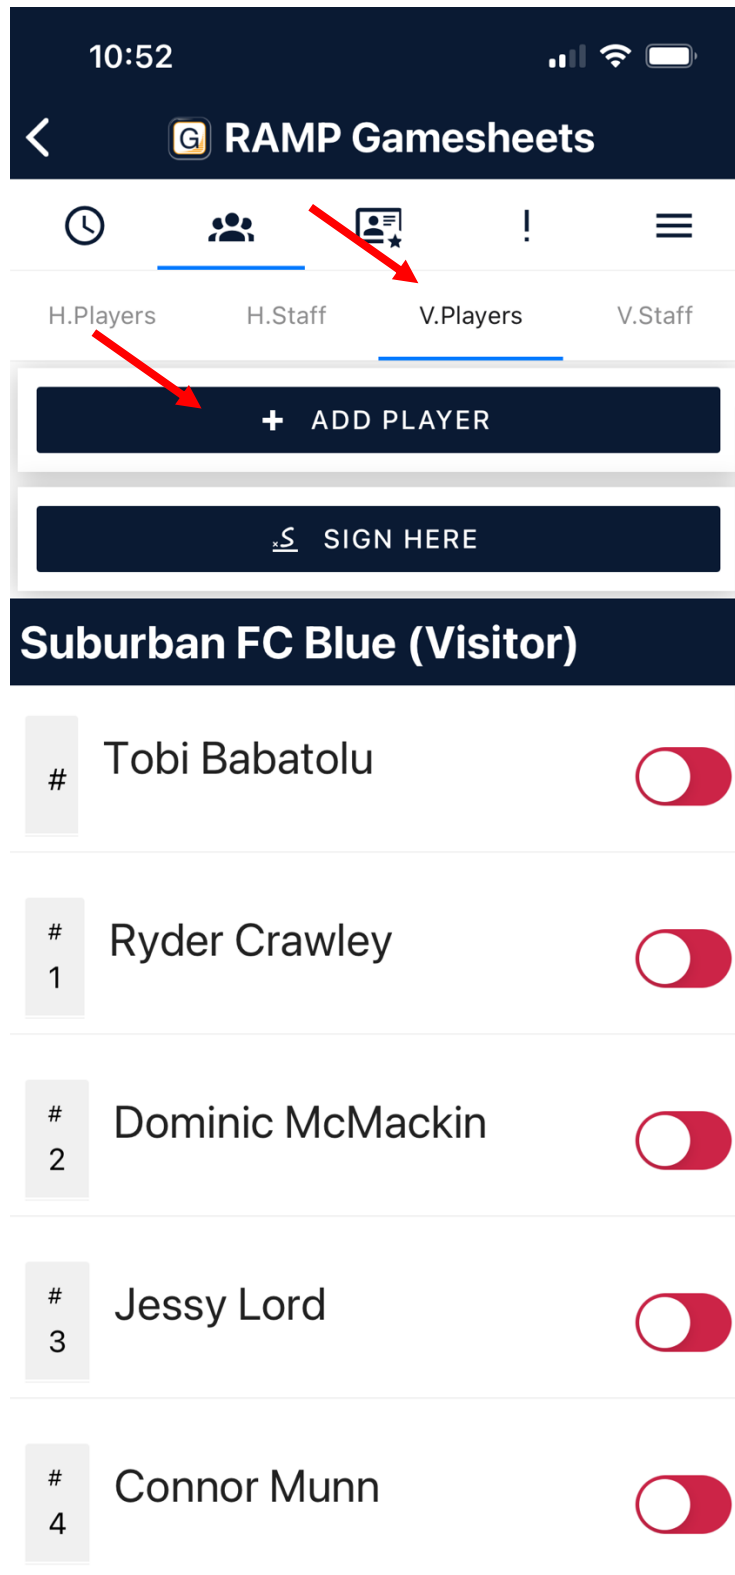

10. Check off the players who are in attendance on the bench. (Green toggle = checked into game, Red Toggle = not in attendance)

11. Repeat for team staff in attendance at the game.

12. A Callup player can be added by the team by selecting the Add player button at the top of the teams roster.

13. From the Add player menu, enter the call-up players jersey number, first name and last name. VERY IMPORTANT, check the AP toggle button. Select save when complete.
