

To our sponsors:

We want to thank you for your support of Northwest Bakersfield Baseball. We could not provide local children with the opportunity to play and learn baseball at a facility like ours without your generous support. Sponsorship money is used to pay for each player's uniform bearing each player's name along with a team hat. Players cherish those jerseys and wear them with pride both on and off of the field. The money also helps to purchase equipment and maintain the fields. Our facility is over fifty years old and requires a significant amount of maintenance. The power bill at our facility alone averages about \$5,000 each month, and that's just a fraction of the costs to keep the fields green and in safe order for our athletes.

Below are sponsorship options for you to choose from. Any of these sponsorships is greatly appreciated.

**Team Sponsorship**-Provides uniforms for each player **(\$400)**

\*\*Allows players to have a last name and number of choice on the back of the uniform. We will also add your logo to each team section of the website.\*\*

**Sponsorship Additions:**

**Single Sponsorship**- (1) 4'x 8' outfield sign on a field of your choice **(\$300)**

**Double Sponsorship**- (2) 4'x 8' sign on a field of your choice **(\$600)**
