# OPERATIONS COORDINATOR – JAMIE STEER

- CAHL, 23 teams did tiering round. All teams had 6 to 8 games. This year we had a really strong showing with lots of teams moving up. For the 2<sup>nd</sup> straight year everyone will reset to zero points and start the regular season in their new division
- We have 11 teams in the RMFHL this season. A big challenge with the loss of Calgary adding more travel and finding compatible tiers. Looking for solutions for next season
- Our entry into the Rocky Hockey league this season is 12 teams, 2 being Novice. This season we tiered Bantam and Peewee and Midget stayed as one division. The league is also growing fast and has added Chestermere, Foothills and Indus.
- We have 19 teams playing Okotoks House league in Novice and Atom this season. We also have 1 Foothills teams in our league. League is off and running.
- Good luck to all teams in the Rocky, RMFHL, CAHL, and House leagues.
- Finally, A huge thank you to all the executive and the directors for getting all our teams on the ice.

# ADMINISTRATOR – LINDSAY GRAW

## Registration numbers

- Total registered 1442. This is up 17 players from last year
- We were able to accommodate all players in OMHA except in Midget RHL where we had players left on the waiting list

We continued to offer a payment plan that was used by approximately half of our membership.

## Police Record Checks

- OMHA offered coaches two options to apply for their police record check this season.
  - Visit RCMP station with OMHA provided letter and \$5 cash. Advantage with this option is the fee is minimal. The disadvantage is it takes a few weeks to come back.
  - Ask for an invitation to apply for the police check online. Using the same system as Hockey Alberta does for their volunteers. Advantage is that you get your check returned within 48 hours. Disadvantage is the cost is \$30. OMHA does not cover this fee.
- Deadline to submit an original police check was November 15th or to show proof in the form of a receipt showing that you are waiting for yours to arrive.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Okotoks Minor Hockey Association.

I have audited the accompanying schedule which comprise the Statement of Operating Expenditures of Okotoks Minor Hockey Association for the year ended May 31, 2018.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this schedule in accordance with accounting standards for not-for-profits, and for such internal control as management determines is necessary to enable the preparation of this schedule that is free from material misstatement, whether due to fraud or error

### Auditor's Responsibility

My responsibility is to express an opinion on this schedule based on my audit. I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the schedule free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the schedule. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the schedule, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the schedule.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion

### Opinion

In my opinion, this financial information in the schedule presents fairly, in all material respects the operating expenditures of Okotoks Minor Hockey Association, Okotoks, Alberta for the year ended May 31, 2018.

# INDEPENDENT AUDITOR'S REPORT CON'T FOR THE YEAR ENDED MAY 31, 2018

## Basis of Accounting and Restriction on Distribution

Without modifying my opinion, I draw attention to Note 2 to the schedule, which describes the basis of accounting. The schedule is prepared at the request of the Board of Directors of the Okotoks Minor Hockey Association for internal purposes. As a result, the schedule may not be suitable for another purpose. My report is intended solely for Okotoks Minor Hockey Association and should not be distributed to other parties.

# BANTAM DIVISION

## Glenn Walker & Trevor Forbes

### Challenges:

- D numbers are down, after 00AA releases we ended up with 20 D to split between 5 teams. Tier 4 Green and Gold teams were left with 3 D each, so we decided to give them 12 forwards each and coaches will identify players that can play both Fwd and D.
- Goalies numbers were high. Originally started with 16 goalies, 2 were sent to PW after evals, 1 was sent to Bantam House after evals, 2 made 'AA', 1 left the organization after AA release
- “Goalie evals must include all 'AA' tryout goalies. 'AA' goalies not showing up for goalie evals created a nightmare.” ..... This statement is from Trevor Forbes last year as Midget Director, nothing was changed in policies and we had the same issue this year at Bantam level. Changes need to be made to Goalie evals and policies, or do we want to wait until the problem comes up again next year?

# MIDGET DIVISION – Tamara Ford / Shannon McQuillan

## 4 CAHL teams (74 players of which 6 are goalies)

- Midget 1 - will play in Tier 1 (Tier 1 Blue CAHL)
- Midget 2 - will play in Tier 2 (Tier 2 CAHL)
- Midget 3 - will play in Tier 4 (Tier 4 Red CAHL)
- Midget 4 – will play in Tier 5 (Tier 5 Red CAHL)

## CHALLENGES

- As director, coach and association how to aid in player retention – positive aspects sport brings to youth
- Reprieve during evaluations for players and directors

# FEMALE DIVISION

SR. DIRECTOR – JENNIFER DUSTOW  
JR. DIRECTOR – MEL CROWSON

- All teams are up and running. Tiering rounds are over and the regular season is under way.
- We have 15 female teams.
- Novice playing 1/2 ice in our house league program this year.
- 12 female teams, Atom through Midget playing in the Rocky Mountain Female League this year. Rocky has been a bit of a challenge this year without GHC it has left the A divisions without many teams to compete with. Teams are seeing more travel with some cross over games with the teams in the North.
- 2 teams, Atom A and Peewee A playing in CAHL this year tier 4.
- We just hosted the 11th Annual Okotoks Female Hockey Classic on November 9th thru 11th. 50 teams participated in 11 divisions in this 3 day event. All of the divisions were competitive and we had 4 teams make it to final games. All of which resulted in 1 goal games for a silver medal Atom A CAHL, Peewee A CAHL, Bantam A and Midget A. The Okotoks Female Hockey Classic is one of the biggest showcases for Female Hockey in Western Canada and I want to Thank our home teams and the many volunteers for all their hard work leading up to and during this event. Without them it wouldn't be possible!
- we will be hosting the Calgary Inferno game at Centennial on Sunday, January 13

# OKOTOKS REFEREE ASSOCIATION

## REFEREE LIASON – GREG SCHMIDT

- ORA Supplies Officials to Okotoks, High River, Black Diamond, Blackie & other surrounding areas
- Ref numbers are down over last year about 20%. This is driven by first time officials (age range of 13-15) as this area is down by 48%. As well as a decrease of 50% by senior level officials. We have lost a large chunk of Senior officials who work Bantam / Midget games. Total Officials this year is 127
- Implemented Scholarship fund two years ago for officials to be able to afford summer camps to improve their skills. This year we sent two lucky officials to camp.
- Struggling to cover all games in a 3 man system, A Hockey will be filled 3 man first (Pewee AA, Bantam I, Bantam AA, Bantam AAA, Midget 15 & Midget I) Other assignments may go two man if referee shortage. Be aware when scheduling exhibition games as League takes priority
- Continuing to stress Zero Tolerance with coaches, Parents, and players and off ice officials
