- Coach Interviews – to confirm you can still do the interview if your child is in that division, that is why we have a panel of 3 doing the interview. There shall be no more than 1 person of that panel that has a potential conflict in that division. I have arranged with the Executive on which divisions they may participate in.
- When it comes time to pick a coach when your child is one of the skaters, the other 2 panel members will pick the coach, and then if your child is released they will pick the coach for the next team as well. You WILL NEVER pick a coach that will potentially pick your child.

- Do final cuts from PW AA (OOAA) automatically become assigned to OMHA PW Travel Ranking group 1 or do they get assigned based on their peer group from the 2018-19 season? Do they become automatic locks in the ranking sessions once released from OOAA.
 - NO! Any player coming from OOAA will go back into OMHA where their peers were at the beginning of evaluations. There are NO locks coming from OOAA.
 - If any player does not complete their full evaluation, they will not be a lock throughout their entire coach selection skates
