Reports

President – Geoff- Storage locker has been a issue. So they are looking at putting in shelves or bungee cords. Edge boss, pucks and other equipment are just being thrown into the cage and not properly put away. Pucks are missing

Teams looking to book development groups, please have managers email Geoff and he will provide them with the groups contact information.

Financials are being sent to the auditor shortly. They need to be approved before IGM. Thank you to Amanda for the enormous amount of work. We are looking at potentially having a special meeting to appoint a financial position in the near future.

VP Coach/Player Development – Blair

- We have recently encountered a few issues that only came to the board's attention after hitting a critical level. I encourage division directors to remind their managers and teams to keep active communication channels open. Our ability to assist with a situation relies on timeliness and accuracy of communication. I have included the flowchart for review:

- Communication Flow Chart (OMHA)
 - Step One: Player / Parent Step Two: Team Manager Step Three: Team Coach Step Four: Division Director/ Game and Conduct Director Step Five: OMHA Vice-President(s) Step Six: OMHA President Step Seven: Hockey Alberta
- A reminder to respect your scheduled ice times. Understanding the arena staff places a variety of different pressures on us to exit the ice, we owe it to each other in keeping to our scheduled times. Activities must end on time and teams need to be off the ice at the scheduled end time. This includes all training equipment, rink boards etc. Delays end up affecting subsequent ice slots. In some cases visiting teams have travelled multiple hours to attend games. Having a team get on the ice late and then have to shorten their games to get back on schedule is frustrating and reflects poorly on our association. It was suggested that we review weekend start times to allow extra time for set-up and removal of equipment for our U7 and U9 groups to ensure they can enjoy a full ice slot. We will inquire on cost and availability with the arena to front load 10-15min on weekends. Any change would come into effect during the 2023-24 season.
- I have received positive feedback from our membership regarding social media postings highlighting team success through the season. Be it Tournament results, Community involvement or other interesting stuff. The kids love seeing their teams and themselves online so I encourage everyone to keep submitting your stories and pictures
- Goalie Hear that was ordered has not arrived yet. Goeff to follow up to get an ETA.
