Reports

President – Geoff

“All information that the OMHA and OAAA have received regarding Madison Biluk, including the parent letter, has been submitted to the Independent Third Party (ITP). All investigations, Provincially or through the ITP are strictly confidential and therefore we have no further information to provide at this time”.

OMHA was unaware of any of the dealing of the former U18 head coach, Ms. B. All investigation will be done through the RCMP hockey Canada and Hockey Alberta. OMHA will follow governance through our governing bodies.

We will be putting together support through crisis management and sending it to families of that year’s team.

If any information comes available, we will share with the board.

The IGM has been postponed. We are waiting on the approval of statements and our current auditor is waiting for approval from the last auditor who moved their branch to Victoria, BC.
