REGISTRATION POLICY 2025-2026 SEASON

PURPOSE

The purpose of this policy is to outline the registration process and requirements for all players within the Okotoks Minor Hockey Association (OMHA). This policy is intended to ensure clarity, fairness, and consistency across all player streams within OMHA.

POLICY STATEMENT

Okotoks Minor Hockey Association (OMHA) offers two distinct player streams for registration:

- Mainstream (Co-Ed Hockey)
- Female (Female-Only Hockey)

When registering for the upcoming season, families must select either the Mainstream Stream or the Female Stream. Once registration is complete and a player is placed in either stream, the player is required to remain within that selected stream for the entirety of the season.

STREAM COMMITMENT REQUIREMENT

- Players cannot transfer between streams (Mainstream or Female) once they are registered and evaluations/tryouts have commenced.
- Players who are released or cut within their registered stream may not transfer to the opposite stream at any point during the season.
- Dual registration in both the Mainstream Stream and Female Stream is prohibited. Players may only be registered in one stream per season.
