

OMHA Midget 2019-2020

Registration for the 2019-2020 OMHA season will open at 9:00AM on Monday, June 17th and close at 11:59pm on Sunday July 21st.

Below is a breakdown on the different leagues being offered to Midget players this year.

MIDGET Rocky Hockey league -OMHA is offering this to all players born in 2002 and 2004. The Midget RHL league will be NON-CONTACT. Players will be carded with Hockey Alberta, resulting in a standard suspension guide and all league games being sanctioned to serve any suspensions. Teams will be able to enter sanctioned tournaments once they determine which tier they would be best suited for, as well as play in exhibition games throughout the season. Additional costs for tournaments and exhibition games will be determined and collected by individual teams.

The cost of the RHL league will be significantly less than playing hockey in the CAHL. Teams will have one (1) alone practice per week and one (1) game per weekend. The season will include games that will be 1.5- 2 hours in length without a flood. Players from Okotoks will play their games against other house league teams from Airdrie, Cochrane, Chestermere and Canmore. As the Rocky House League continues to grow, more teams will be added. The number of teams entered into the RHL league will be determined by the final registration numbers. The more teams that Okotoks is able to enter, the more games that will be played here in Okotoks.

During the online registration process you will be asked to select Travel or RHL for Midget. Travel refers to teams playing in the CAHL, and RHL refers to teams playing in the Rocky House League. If you select Travel, your player will go through the evaluation process that occurs every September.

Midget mixed- Travel CAHL- OMHA will continue to offer players the option to be evaluated for tiered teams playing in the Central Alberta Hockey League (CAHL). The number of teams entered into the CAHL and the tiers of these teams will be determined by the final registration numbers. Once the evaluation process is complete, OMHA may move players from Travel to RHL to ensure the appropriate number of players are placed on each team in each division. All players who are transferred to the RHL league will receive a refund for the difference in fees.

Midget AA/AAA- All Okotoks players must register and pay for bantam travel before they can register to tryout for any OOAA team. Once you have registered for Midget with OMHA please visit the OOAA website at www.ooaaoilerhockey.com to register for the AA/AAA tryouts and conditioning camps.
