

Important information for the 2019-2020 Season

Registration for the 2019-2020 season will be open at 9:00 am on Monday June 17th until 11:59pm on Sunday July 21st.

For all players registering in Novice for the 2019-2020 season will be registered into the Novice House program. Due to the Hockey Alberta changes to the novice division OMHA has decided to have all of our novice players participate in the novice house program.

PLEASE NOTE:

The novice division will be undergoing some significant changes for the 2019-2020 season. Okotoks Minor Hockey will be going to half ice novice hockey for the upcoming season. Half ice will apply to all novice players, first and second year. Please check out the novice tab on the OMHA website to access videos, articles and stats regarding the new half ice program.

Novice: The division your child plays in (House A, B or C) will be determined based on evaluation sessions held later in September. Each team will receive two shared practices per week. Teams in the same division will play games against each other on Saturday or Sunday mornings in Okotoks or at the Scott Seaman Sports Rink in Dewinton.

*Please note that the day of the week that practices are held will vary depending on the team and are subject to change after the Christmas break. Novice teams will start as early as 4:00 pm on weekdays, and games will start as early as 7:00 am on weekends. OMHA is unable to accommodate requests for specific day or time requests.

If you have any further questions please contact Lindsay Graw at lindsaygraw@shaw.ca
