

2024 - 2025
Hockey TV

Managers Meeting

Flo TV

- All AEHL and AFHL teams are required to stream games on hockey TV.
 - For the start of 2024/245 Season the U18AA, U16AA, U15AA Oilers and U13AA Oilers/Radiers will not stream
- OOAA has 3 dedicated Encoders (2 Viking & 1 SSR).
 - Encoder is really a computer.
- All have dedicated keyboard and screens.
- Set-up is the same for all rinks.
 - Encoder
 - Screen
 - Mouse and keyboard
 - Camera
- All rinks have hard wired internet connections.

Locations

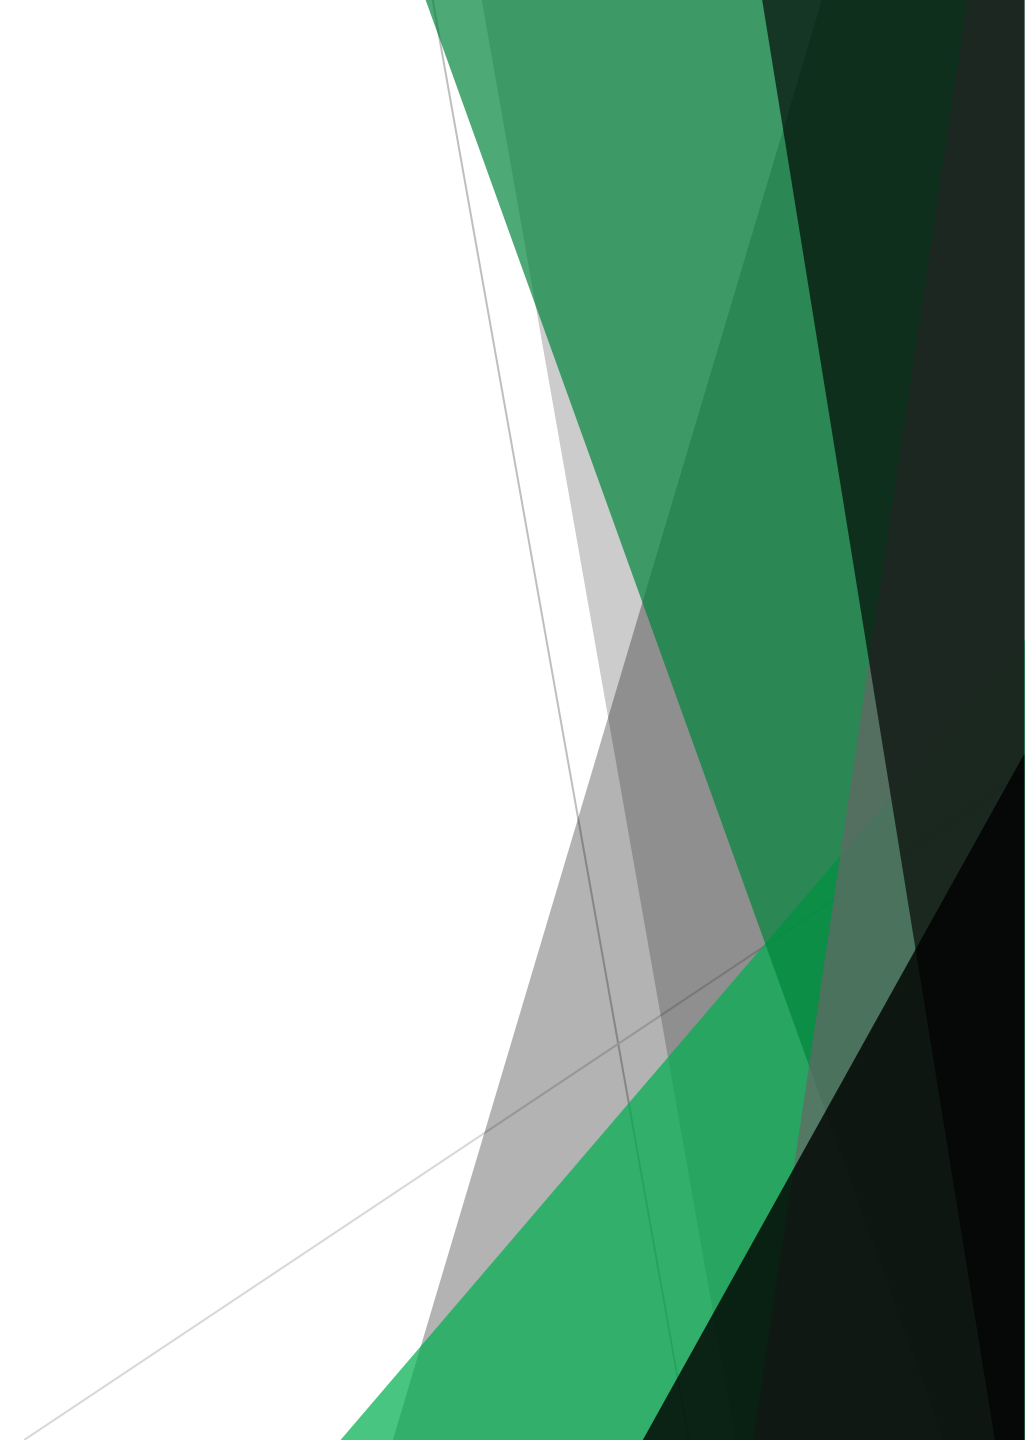

- Viking - Rink Attendant will let you in
 - Green - Stored in North East Corner
 - Gold - East end upstairs

- Broadcasting
 - Green - Use the Oilers media room
 - Gold - Taped off area up top

Locations

- SSR
 - Sean and his staff store in a storage room
 - Set up includes
 - Plastic tote
 - Dolly
 - Table
- Broadcast is up on track across from benches

Pre Game

- Please set-up ~ 45 minutes before game time
- Set Up
 - Included function test and calling in to Hockey TV
 - This ensure proper connection and gives time to trouble shoot

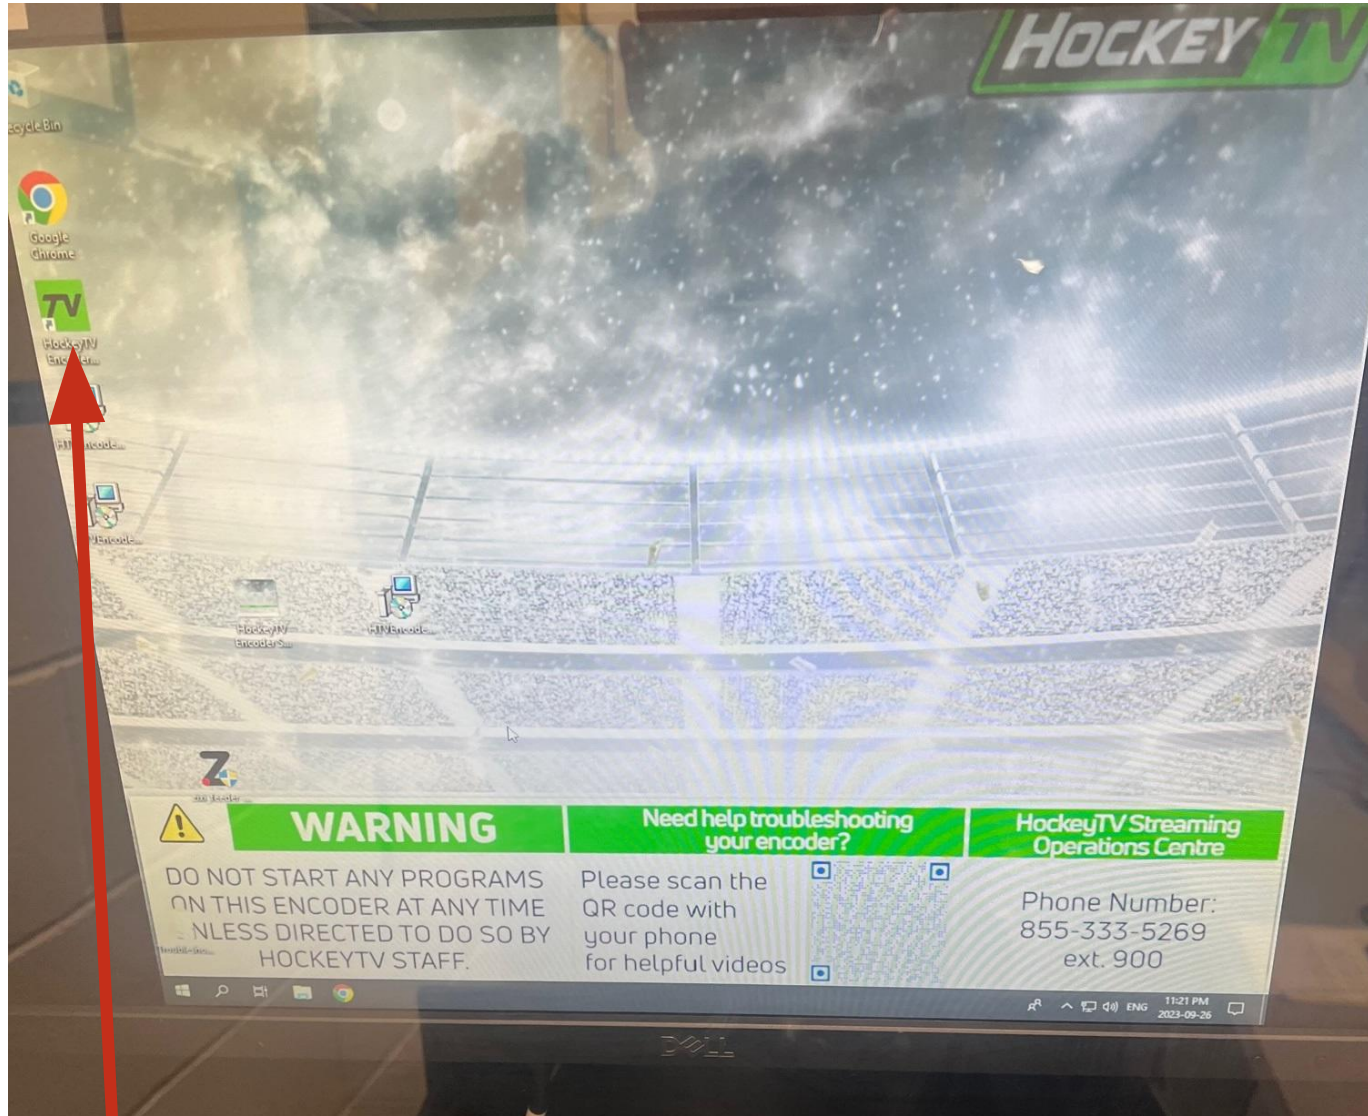

Turning On

- Plug in all devices.
 - Including camera
- Plug camera into Encoder.
- Plug in Ethernet cable.

- Password to unlock all computers:

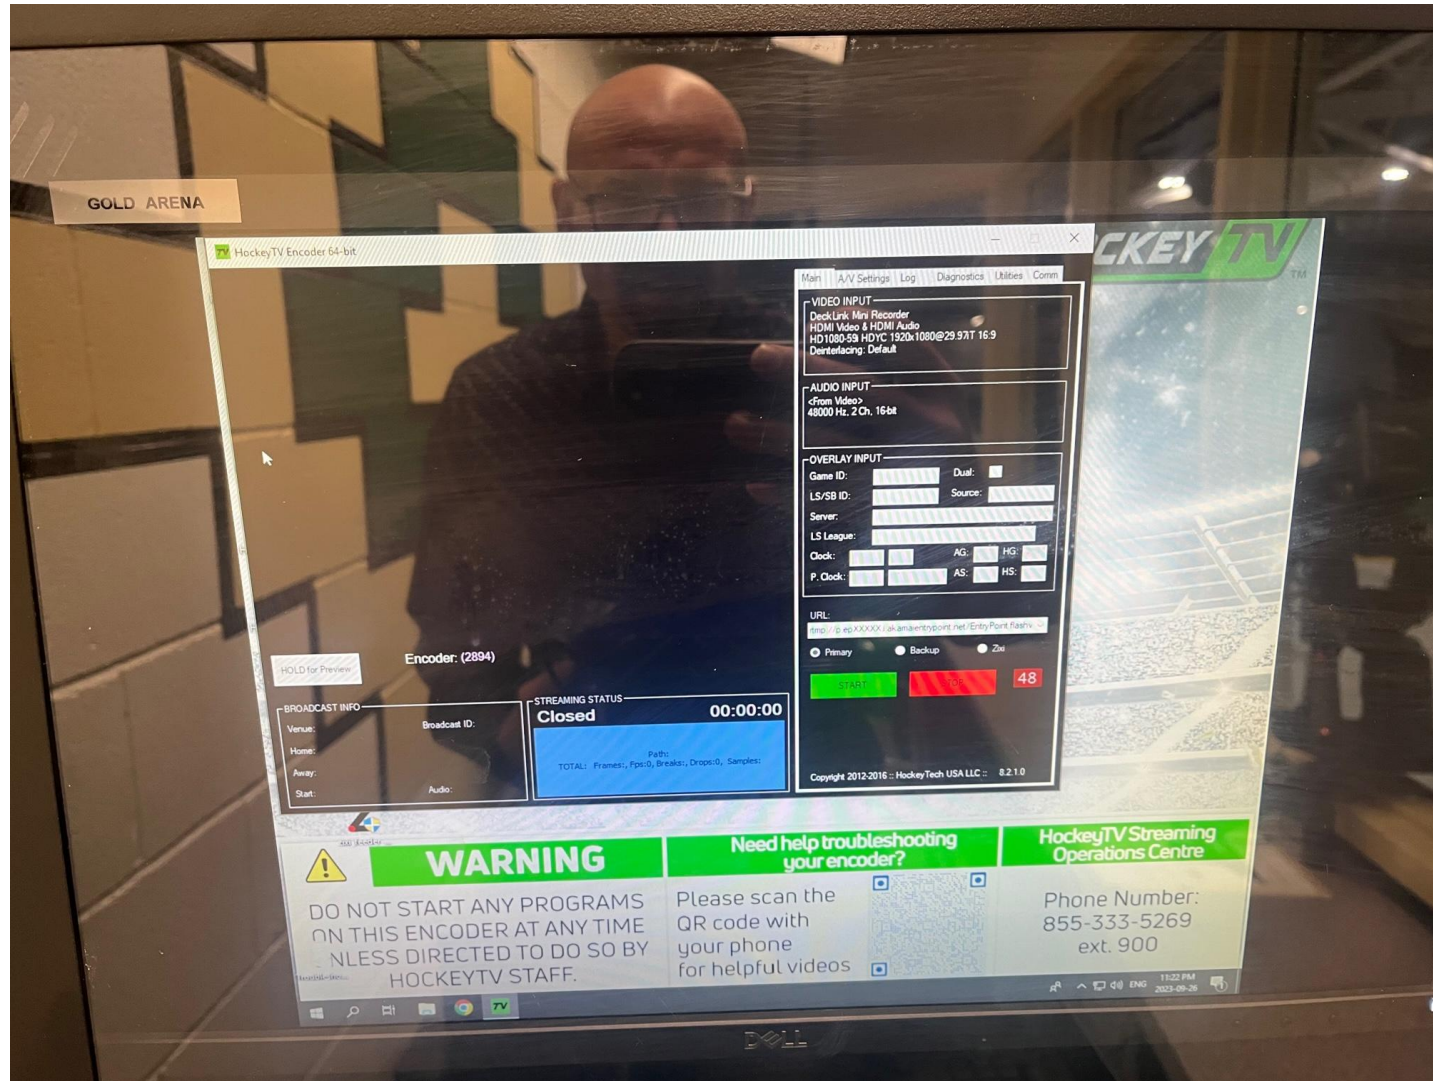

FHencoder

Home Screen

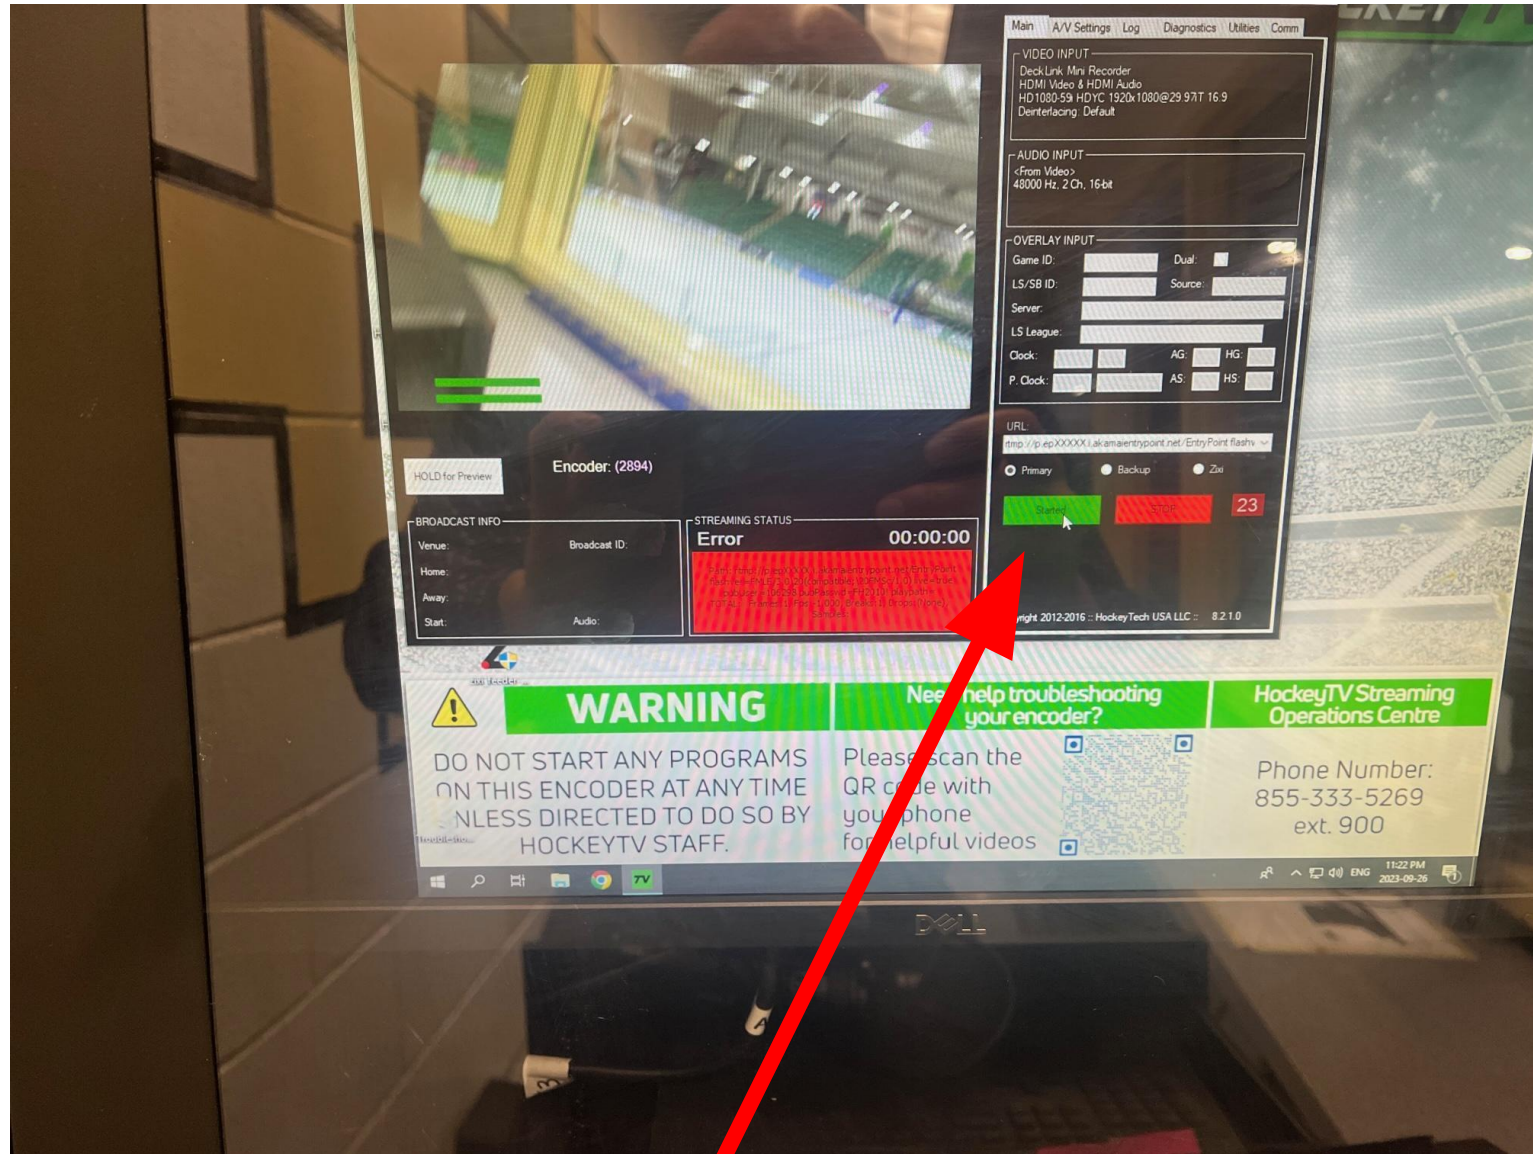

- Double click on the app

App Home Screen

- If the screen is black, your camera is not connected or turned on

System is ready

- To go live you click on start
- To end click on stop

Game Set-up

- Once you have powered everything up.
- Call Hockey TV at least 30 minutes before to test feed
 - 1 855 333 5269
- Provide them the following:
 - Team
 - Rink
 - Encoder
 - Viking - AEHL Okotoks Oilers - Gold
 - Viking - AEHL Okotoks Oilers - Green
 - Scott Seaman - AFHL Scott Seaman
 - They will confirm your feed is good.
 - You don't have to click live at this point.

Game Time

- Before warm-up hit start to being process
 - **MIC is now HOT!!!**
- Once MIC is on the home team is liable for all language and comments made. League can suspend coaches.
- Warm-up
 - Can film home team only
- Intermission
 - Centre Ice
- Do not turn off feed between periods
- End of game click stop feed.
- Return equipment to storage area.

FAQ

- Okotoks Oilers Set-Up
 - Currently don't have an agreement in place - they had a change in management and are sorting this out
 - Plan to use going forward
- Viking Jumbo Tron
 - This is done through the Oilers and has nothing to do with OOAA or the association - Make arrangements with Brady Pupp
- Bad Internet Connection
 - Both facilities are not controlled by OOAA - at the mercy of facility staff and their ability to troubleshoot
- Remote Games (Strathmore/High River)
 - A box can be moved from Viking - But must be cleared by Grant Farion first
