It is a special order and there would be onerous shipping & handling charges, or significant delay in acquiring the product

It is unique and not readily available elsewhere

This policy only applies to products and services acquired at the association level. It does not apply to individuals or individual teams.

#### **Relationships:**

Board members of OMSA will be asked to abstain from voting on issues that directly affect their children, spouses, or work environment. Board members may also excuse themselves if they feel a personal conflict.
