Reports:

President: Not at the meeting, phoned in later to weigh in on discussions but had no report to give.

Vice President: Affiliate Practices - keeping players to practicing with the team the week of the game to give them practice time with the team.

Ref In Chief: Final approval list for refs was released.

Treasurer: No new items to report

Ice Scheduler: Playoff games will need two slots on Wednesday evening. All games cancelled due to Covid have been rebooked. Onoway Skating Club is having their Carnival on March 11, 2022, there will be no hockey scheduled for this day. Parents of the Midget team are nit getting the ice time they pay for due to practice attendance and cancellations of practice.

New Business:

- a. U9 Goalie gear - Knee pads yes but goalie pants are not needed as its hard to fit a variety of kids at this level. Need more pucks.

- b. Player movement U7-U9 it is too late in the season to move players.
- c. Donation for nets came in, Josh and Barrett will change them out. We need a thank you sign.
- d. U13 manger wanted to quit due to some of the parents on the team. Glenda (parent) was upset that her child “was practicing with a bunch of natives” (her words) and that the the coach was segregating the kids, the team was broken up to run drills with their lines at three different stations. Then an email was sent by another parent that the coach was yelling and being verbally abusive to one other player, this coach is hard of hearing and speaks loudly in general and is even louder on the ice.
- e. Forfeited games will result in a loss of a playoff spot, the U13 Edson coach was removed from a game as a result of how that team as playing, we have to play that team again but once the kids are playing the parents can remove their child from the game without forfeiting the game.
- f. Social Media issues arose when a video of Steven Potts was posted at a game in Wainwright while our team was playing Westlock. The comments on TicTok were distasteful. When the issue was brought up to Hockey AB the bad comments had already been removed (original screen shots were taken) and Hockey AB said there was no further action to be taken other than speaking to the team in question.
- g. Doing a coach advertisement with summer registration and possibly a Jr Coaching program to get more coaches in.

Next meeting February 28, 2022 @ 1930 - Onoway Curling Club

Meeting adjourned @ 2105
