

ODAS RULES AND GUIDELINES

TEMPORARY AMENDMENTS TO STANDARD OPERATING PROCEDURES FOR DEALING WITH COVID-19

(Please note these rules and guidelines will be updated to coincide with any changes to Alberta Health Services recommendations or orders, and any Provincial or Municipal guidelines and therefore are subject to change without notice at the discretion of the ODAS Board of Directors or Executive Committee)

These rules and regulations are specific to the Onoway Arena

Effective Date: September 15th, 2020

Last Revised: September 20th, 2021

GENERAL CONSIDERATIONS:

The Onoway arena will be complying with the 1/3 capacity within the AHS & GOA guidelines, and orders.

- Practice physical distancing (maintain 2 metres/ 6 feet between people). When attending please maintain separation between your party and other parties.
- Practice healthy hygiene habits. Wash your hands, use hand sanitizer often, and avoid touching your face. Hand sanitizing dispensers are located throughout the building, but it is highly recommended to bring your own.
- Wearing a face covering or mask is **always required while in the facility**. Bring and use your own face covering; they will not be provided.
- Following each time slot, users and spectators will be expected to exit the facility immediately after their ice time to ensure the facilities are ready for the next group. While waiting to exit the building please avoid waiting in high-traffic areas.

PARTICIPANTS

- Complete pre-activity screening or Covid 19 requirements through your organization.
- Bring your own water bottle filled for personal use only and avoid sharing water bottles or other equipment. Water bottle filling stations will be operable.
- Please proceed directly to the dressing room area upon arrival.
- **Arrive no more than 30 minutes prior to your ice slot during practice.**
- **Arrive no more than 45 minutes prior to your game slot.**
- Exit the facility within 15 minutes after your ice time to allow time for staff to prepare the facility for the next group.

-
- Masks are to be worn entering the facility, while in the dressing room, and only removed once helmets are placed on prior to ice use.

SPECTATORS

- When using the Onaway Arena facility users/spectators must follow all posted facility guidelines and public health orders.
- It is recommended that only one parent/guardian attends per participant. It is strongly encouraged that no additional children, are brought to the facility. If children must come out of necessity, they must remain seated with parent/ guardian.
- Please proceed directly to the seating area upon arrival, unless tying skates for a participant.
- **Wearing a face covering or mask is always required while in the facility. Bring and use your own face covering; they will not be provided.**
-

AFFILIATE SPORT ORGANIZATIONS

- Organizations are responsible for sharing these protocols with their members.
- Organizations will be responsible for pre-screening participants before arriving to the facility. And having information for COVID-19 screening given to all participants prior to any use.
- Organizations will play a role in monitoring and reinforcing physical distancing measures with members of their own organization.
- **All organizations will be responsible for appointing either managers or coaching staff to wipe down the dressing rooms after their participants have left, including the benches and handles in the dressing room. Cleaning supplies, sanitizer spray and towels will be provided in the dressing rooms for you to use.**
 - It is mandatory for Timebox keepers used for game play during their shift to wear a mask.
 - It is mandatory for coaching staff to wear a mask during game play, as well during anytime while on the ice during practice where the 6 feet/ 2meters can not be adhered to.
