

Respect in Sport Parent Program

Ringette Ontario has announced that one parent of every ringette player under the age of 18 is required to take the Respect in Sport Parent Program before participating in ringette programming, starting in the 2022-23 season. This course is mandatory to have the Player's registration approved.

The Respect in Sport Parent Program is a one-hour online module for parents/guardians, reinforcing their role in their child's activities, encouraging positive sports behaviours, and providing insight into the various roles other individuals play, such as coaches and officials.

This program empowers parents to:

- Ensure the safety of their children.
- Encourage positive and effective communication.
- Enhance a child's overall enjoyment of Ringette.

The online course costs \$12 and is transferable to other sports involved in Respect in Sport.

Oshawa Storm Ringette Association made this a requirement for all of our families in 2019, as such there is no new requirement - your current certificate numbers remain active. Your RIS certificate number should already be entered into your RAMP registration profile and will be carried over to this season.

The online course costs \$12 and is transferable to other sports involved in Respect in Sport.
