

WELCOME

Welcome to the start of the 15th season of the Ottawa Senators Women's Hockey Club and the home opener of U22AA League play!

This season we are playing in the East Division of the OWHL U22 Elite League. Our regular season has 43 games; 27 games within our division and one game against each team in the West and Development divisions. New this year, games will consist of three 20 minute periods of hockey (with a flood between each period) and four on-ice officials.

We are looking forward to some great match-ups as we welcome talented teams from across the province.

Thank you for your support of our game. **GO SENS GO!**
