THANK YOU TO OUR SPONSORS

Ottawa Lady Senators U22AA 2022-23

Season Summary 2022-23

The U22AA team had early season success as silver medallists at the NAHA Tournament. They built on the promising start to become Champions of the prestigious Stoney Creek University Showcase in September, followed by Champions of the University of Ottawa Showcase in January and Tournoi Hockey Feminin at Quebec City in February.

With two games left in regular season play the team's record is 24-7-10, currently in the No.3 slot in the OWHL U22 Elite League East Division. This result secures a berth at the gold level at Championship Weekend and then at the OWHA Provincial Championships in the GTA this April. The team is determined and striving for success as the best of the best in the province compete against one another in these events.

All of our graduating players are continuing their hockey careers as varsity athletes when they study at the post-secondary level in the Fall of 2023. Several of our players were selected to participate in OWHA High Performance programs where they had the opportunity to showcase their talent at the Provincial and National levels.

"It takes a team to ice a team" and as the season draws to a close we wanted to take the opportunity to thank all the people who contribute to the success of our program - our generous sponsors, the KGHA, the Officials, the Rink Staff, our many dedicated volunteers on and off the ice, and U22AA Lady Sens Families. We appreciate you.

Thank you for everything you do to support elite female hockey and the Ottawa Senators Womens Hockey Club.

GO SENS GO!
