- 4.1 All players must be duly registered prior to participating with any process relating to the selection or operation of an OVDGHA team. The registrar is to officiate all registrations of all players.
- 4.2 The Association shall be organized into age groups and divisions based upon the number of registrations. The executive will organize the teams based on the intake of by age bracket at the time registrations. Maximum and minimum player numbers may be set by the executive. The Association will abide by the OWHA rules as a minimum and will impose their own rules and regulations as required to enhance these rules.

4.3 All OVDGHA teams shall register a coach, a manager, a trainer, and a maximum of three (3) assistant coaches. Team officials shall be registered in accordance with OWHA regulations.

4.4 Ottawa Valley Thunder (competitive) teams shall, whenever possible, register a minimum of the following full complement of players:

U15	2	6	9	17
U18	2	6	9	17

4.5 Any deviation from the table must be submitted to the Competition Committee for approval. The new defined team complement becomes the new total player number for that team. The Executive may direct deviations to this table if they are considered to be in the best interests of the OVDGHA.

4.6 If the numbers of players registered warrant, divisions may be divided into House League and Competitive teams. The OVDGHA executive reserves the right to mix age groups within the house league to facilitate league play.

6.0 Team Operating Revenues and Expenses

6.1 Team Manager's Duties:

- 6.1.1 The team budget will be provided to the Team Manager by the OVDGHA Treasurer at the beginning of the season. The budget will be based on the number of registered players for that team.

Any significant departures from the budgeted costs or any extraordinary expenses must be approved by the OVDGHA Executive.

- 6.1.2 The Team Manager must keep an accurate, up-to-date record of all team expenditures and fundraising (ice rentals, referee costs, tournament costs, any other costs, and any fundraising money collected). These records must be readily available for audit by the OVDGHA Treasurer within 48 hours notice. The Team Manager must provide a monthly financial report to the OVDGHA Treasurer on the second Monday of every month throughout the season. The OVDGHA Treasurer will circulate the monthly financial report to the OVDGHA Executive for approval. Once approved, the report will be shared with the parents of each team by the Team Manager. To facilitate this, a spreadsheet will be provided with unit rates for ice rentals, referee costs, OSHA costs and other OVDGHA fixed costs (socks, team photos, name bar sewing, OVDGHA Administration Fee).

- 7.4 The Competition Committee will communicate the issue to interested parties including, but not limited to, the Executive, the affected team through the

team manager and the individuals involved. Due to the nature of certain sensitive issues the Committee reserves the right to limit the distribution of the communication.

7.5 The Committee will then gather the required information to make a decision on the issue. The process will involve interviews and may or may not involve a hearing.

7.6 A majority decision will rule but it is preferable to make concessions that lead to a unanimous decision by the Committee.

7.7 The Competition Committee will then communicate the decision to the distribution used in the original communication per Section 7.4. Due to the nature of certain sensitive issues the committee reserves the right to limit the distribution of the communication.

8.0 Player Selection – Competitive Thunder Teams

8.1 All players must be registered with the OVDGHA and must have paid the Thunder try-out fees prior to attending try-outs.

8.2 Registration deadlines and try-out schedules will be posted on the OVDGHA website.

8.3 Players for Thunder teams shall be selected in accordance with Section 5.0, OVDGHA Aims and Objectives, and their hockey ability. This collective criterion and the process to evaluate this criterion (i.e. try-out plans) must be defined and recorded by the respective Head Coach prior to the commencement of any try-out.

- The try-out plan is to be approved by the President prior to the commencement of any try-out.
- The plan shall include the names of a minimum of two independent evaluators that are provided by the Head Coach. Non-parent coaching staff qualify for this purpose.
- The plan will provide specific instruction for the evaluation of goalies.
- Parents are not permitted on the ice or on the bench during the try-out process with the exception of one certified Hockey Trainer.

8.4 It should be clearly understood that this Association will pride itself on credibility and in doing so it is to be understood that under no circumstances will any player receive preferential treatment in regards to team selection.

8.5 Thunder competitive team try-outs will consist of a minimum of 3 ice times. Exhibition games may be used in the evaluation process in accordance with OWSA By laws. The roster for exhibition games is at the Coaches discretion.

- 8.6 Players are normally required to participate in all try-out ice times. Participation in a minimum of one try-out ice times/exhibition games are required where missed ice times must be approved in advance by the Head Coach.
- 8.7 Any prospective player who will miss all try-out evaluations for a medical reason must provide, prior to the first try-out evaluation, a medical certificate to the Vice President (Competition Committee). The certificate should document the inability to participate in try-outs as well as the anticipated return to play on or before November 15th of the current hockey season. The Committee will evaluate recommendation and testimonial from the Head Coach, using the process defined in Section 7.0.
- 8.8 The Head Coach will supply the President with a tryout plan and a list of all evaluators 2 weeks prior to tryouts. These must be approved by the President prior to tryouts.
- 8.9 The Head Coach and the independent evaluators are expected to document the performance of all players against the try-out plan. The final team roster is decided by the Head Coach and is not open to appeal except where there is a violation of the Constitution or the Rules and Regulations of the OVDGHA Association.
- 8.10 Releases are normally made after the final try-out ice time unless a special request is made by the Coach to the Executive. The Executive will provide oversight during all releases.
- 8.11 Players who are evaluated at skill level which puts them in a risk and safety position may be restricted from any further tryouts. The Head Coach shall contact the Risk & Safety Officer so that they may be able to evaluate the player before they are released.
- 8.12 Coaches must not announce their player selections until they make their final releases. Head Coaches are encouraged to be supportive and positive when releasing a player.
- 8.13 A player who wishes to play at a higher level than her actual age must first be released by the Head Coach of the Thunder team at her level. The request is first made in writing to the Competition Committee. The Competition Committee will solicit input from the Executive and the Coaches and will then assess the request based on the player's ability considering the best interest of player and the Association. A ruling on the request would be subject to the rules of the ODWHA and OWHA.
- 8.14 A player under the required age of the lowest level team fielded for the OVDGHA Thunder current season who wishes to tryout must first get

approval from the executive through a competition committee. If the player is approved to try out,

1. A competition committee will be formed
2. The player will be evaluated at the first 2 tryouts by the committee and without input from the coach
3. The player will be graded by the committee and the player must be ranked in the top 5 skaters or top goalie
4. If the player fails to be ranked in the above positions, he/she will be released from tryouts
5. There will be exceptions if players are needed in order to fill out a roster.
6. The committee's decision is final.

8.15 Team Rosters will be finalized in accordance with Hockey Canada and OWHA policy.

8.16 **House league teams** – all house league teams will be formed upon the completion of registration. Depending on the number of players registered, “sort-out” ice times may be used in order to determine skill level of players. Players, regardless of size and ability, will be given equal ice time.

10.1 Transfers and release of players shall be in accordance with ODWHA and OWHA policies.

10.2 Permission to skate and release authority will be considered for decision by the executive as they arise and decisions will be on a “case by case” basis. It is the OVGHA's belief that players should have the opportunity to play at the highest level of hockey attainable. Therefore, we will provide permission to skate and releases to players who choose to play at a division not offered by our association at the competitive Thunder level.

10.3 Beginning the 2024/2025 season, players who exit the association for a level of play offered by OVDGHA could be denied registration for 2 years.
