To Whom It May Concern:

The Ottawa Valley District Girls Hockey Association is proudly affiliated with the Ontario Women's Hockey Association (OWHA). Through this affiliation, our association is also a member of the Canadian Hockey Association (CHA), the governing body of Amateur Hockey in Canada.

We are dedicated to offering girls' hockey programs from U9-U18, with both House League and Competitive Teams composed of players from all over Renfrew County. Our teams play in the Eastern Division league of the OWHA, and travel to other cities for tournaments.

This upcoming season we have eight competitive teams as well as two house league teams, with players ranging in age from 8 to 18 years old. The purpose of our Association is not only to promote and develop girls' amateur hockey in Renfrew County, but also to teach important life skills. Through hockey, our players learn fundamentals of the game, while developing values of teamwork, fair play and perseverance.

To continue offering these opportunities, we are seeking your support. Your contribution will help offset the team costs required for our players to participate in the sport they love - covering essentials such as ice time, equipment and tournament fees.

Every donation, no matter the size, makes a meaningful difference. Your generosity directly impacts young athletes by giving them the chance to stay active, build skills, and grow in confidence, both on and off the ice.

Being a non profit association allows us to provide an expense receipt that will be issued for the full amount of the sponsorship.

On behalf of our players, coaches, and families, we sincerely thank you for considering a contribution and for being part of our team's journey.

Sincerely,

A handwritten signature in blue ink, appearing to read "Colin Etanski", is positioned above the printed name.

Colin Etanski
