Report submitted by Mick Martinez who was unable to attend

- We have a plan for PCFLL Championships in January, applicable to WU13 and up.
- A few more things need to be finalized, once details are set info will be sent to your division managers who will pass info to your respective clubs.
- Ranks were based on league games until Dec 13th, so we used the latest info received when schedule was worked on Monday night.
- Provincials- clubs have been contacted directly if the FD required any info.
- Please connect with Mick directly for any questions you may have.

Youth Vice chair

December saw the end of self scheduling and the rankings for provincials being locked in. We have now switched to league scheduling for the remainder of the season and will be looking to schedule and keep everyone playing through the end of January. Some teams will be using this time to complete their playdowns and qualify for provincials, for those that are already qualified or not going to provincials we will be endeavoring to keep them playing competitive games to keep sticks warm.

Due to some recent issues I would like to once again remind everyone that play time must be equitable. Regardless of ranking or situation, policy requires that everyone gets their chance to play.
