**THUNDER CITY RINKSIDE MEDIUM ROAST:** A fusion of two of our favourite Central American varieties – a fair-trade organic variety from Mexico and an organic variety from Honduras. This is an easy drinking, clean tasting, medium-light roast with a good compromise between body and brightness.

We live and breathe coffee and hope that our product reflects our devotion to everything coffee!

Today we are still a fledgling but dedicated team of Coffee Connoisseurs with big dreams. We are proud to be small and local as it gives us the opportunity to work with like-minded businesses and individuals in our community and serve only the best and freshest coffee to our valued customers.
