***NEW* BEFORE YOU REGISTER PLEASE READ THE FOLLOWING**

PRACTICE REQUESTS – We will not know specific gym times; athletes should be prepared to practice between 6:00pm and 10:00pm Monday to Friday. We will do our best to accommodate all players, however priority is given to our coaches schedules. We typically schedule younger groups during the earlier time slots and the older players utilize the later slots.

FRIEND & CARPOOLING REQUESTS – Due to the overwhelming increase in participant numbers we are finding it more and more difficult to fulfill these requests. Our wait lists are growing each year, over 100+ last season. Our primary focus is on long term player development, therefore our house league athletes will be divided into teams of equal parity, as best we can. This is done through an extensive player evaluation process that is essential in providing equal opportunity for ball touches. All of our programs are designed with equal opportunity to develop in mind. Any friend or carpooling request that creates an imbalance will be denied.

Programs and Fees are as follows:

****All Community programs will consist of minimum one weekday group training session and weekend league games played in Spruce Grove.**

Please note for U9 / Formerly Mites: If registration numbers can support gender specific teams, and there is a demand for it we will try to run boys and girls teams.

That being said PCBL believes in gender equality and freedom of choice. Your child has the option to play with which ever Community League gender specific team they so choose.
