# ALBERTA ELITE HOCKEY MODEL

## PROGRAM PHILOSOPHY AND PRINCIPLES

### INTRODUCTION

The Alberta Elite Hockey Model focuses on providing Alberta's top players with an environment to develop their hockey skills while competing at the highest level they are capable of in a fair and equitable manner. Using operating standards, the model ensures that players have opportunities to experience 'elite' hockey, while simultaneously establishing competitive balance across the province. The model recognizes and supports that each athlete has the right to consider all options for their participation in elite hockey and strives to provide a positive experience that attracts and retains athletes.

The Alberta Elite Hockey Model provides a defined structure for the top levels of U18, U15 and U13 to establish a progression for players through a development pyramid. Bridging the gap between grassroots programs and AAA, the Elite Hockey Model also provides opportunities for players to experience the higher levels of hockey through a regional affiliation process.

### LEAGUES

Hockey Alberta has identified the Alberta Elite Hockey League (AEHL) and the Alberta Female Hockey League (AFHL) to conduct the day-to-day operations and game play for all AA and AAA hockey at the U13, U15, and U18 Divisions. These are the only leagues identified to operate Elite levels of Hockey Alberta sanctioned play.

### PRINCIPLES

The Alberta Elite Hockey Model is based on two guiding principles that establish a system of hockey that helps athletes reach their potential and progress through the elite hockey system.

#### Development

- I. The AEHL, AFHL, MHAs and coaches will always act in the best interest of the athlete, working to help them develop their skills so they have the ability to move up and play at the highest level they can attain;
- II. The AEHL, AFHL and MHAs will provide development opportunities and focus on moving players through the system to the next level;
- III. Players will have the ability to register as an affiliate to a higher-level team, providing the opportunity to practice and play as an affiliate, to further develop their skills and gain experience at the next level;
- IV. The AEHL, AFHL and MHAs will work with Junior, Collegiate and University programs to inform Alberta athletes about opportunities after they graduate from U18 hockey.

#### Consistency

- I. A Provincial system of elite hockey that starts at U13 AA and progresses through the youth hockey years to U18 AAA;
- II. A system that is deliberately designed to ensure players receive consistent development opportunities, regardless of where they reside in the province;

- III. Pre-determined numbers of Teams are set within each Division and Category to ensure competitive balance and a proper developmental feeder system are in place for players;
- IV. Operating Standards have been established to ensure consistent operations of Teams that provide athletes with consistent elite level development opportunities and experiences;
- V. The location of Teams is set to ensure athletes can access Elite Teams (or opportunities) within a reasonable distance from their home.

## LEAGUE NAME

Hockey Alberta identifies the Elite Hockey Committee (hereinafter referred to as “Committee”) as the operator of the AAA/AA categories of hockey. Scheduled play will be implemented under the banner of the Alberta Elite Hockey League and the Alberta Female Hockey League (hereinafter referred to as “League,” “AEHL,” or “AFHL”, unless otherwise specified) in accordance with the Elite Hockey Model.

- a. The AEHL and AFHL are sanctioned leagues of Hockey Alberta.
- b. The AEHL and AFHL are the sole governing bodies for AA and AAA hockey for all teams identified under the Elite Hockey Model.
- c. The League will be comprised of eleven (11) Divisions of hockey being U18 AAA, U18 AAA Girls, U18 AA, U18 AA Girls, U17 AAA, U16 AA, U15 AAA, U15 AA, U15 AA Girls, U13 AA, U13 AA Girls. These eleven Divisions may be further subdivided into “Conferences” for the purposes of regional play and the reduction of travel. U13 AAA shall be recognized as a pilot project under the AEHL for the 2024-25 season.
- d. Only the member teams of the League shall be eligible for Provincial Playoffs for the eleven (11) Divisions as provided in the Hockey Alberta Regulations, unless otherwise directed by Hockey Alberta.
- e. The League will play under the Rules of Hockey Canada, Hockey Alberta, and each team will be responsible for complying with all rules and regulations of those Governing Bodies as well as the regulations of the League.

## OBJECTIVES

The objectives of the League are to provide a framework in which players may participate in an elite level of organized hockey within the Province of Alberta, with a view to:

- a. Operationalize the principles of the Elite Hockey model as outlined in the Hockey Alberta Regulations and the Operating Model utilizing all the available resources at its disposal to operate effectively and efficiently, including the resources available from Hockey Alberta.
- b. Enhance the development of all participants in the game (athletes, volunteers, officials and administrators) helping them achieve the highest level of performance possible.

- e. Prepare athletes and develop their hockey skills for the next level of elite competition as they progress.
- f. Ensure keen competition within all the categories of play while considering financial and travel concerns.
- g. Play an integral role in the development of youth as future leaders, through exemplary leadership, development of character, work ethic, respect for others, unselfishness and sportsmanship while teaching what is right and wrong, fair and unfair, and a sense of duty.
- h. Grow the interest in the game of hockey and foster a general community spirit at the elite level through to the grassroots level in each of the communities that it resides.

For AEHL AA teams, patches are optional for the 2024-25 season. An implementation plan will be shared with members during the 2024-25 season.

#### HANDSHAKES

Teams shall meet at centre ice following each AEHL and AFHL game to shake hands with the opposing team and referees. Handshakes may be waived at Showcase events at the discretion of Elite Committee members if time becomes a concern.

#### LEGAL ACTION

- a. Any Association, team, team official, parent or player who threatens the League or its League Officers with any legal implications or actions, the team(s) involved may be suspended from the League until the legal action or implication has been properly dealt with.

## ROSTER SIZE

Hockey Canada and the Elite Hockey Model allows all teams to carry a roster of 20 players, 18 skaters and 2 goaltenders. These regulations permit a team to be able to dress all 20 players for each game. Teams may not be comprised of fewer than 15 skaters and 2 goaltenders (Individual associations may strengthen this further to require a higher minimum number of players per team).

Exception: U13 AA teams in the AFHL are encouraged to take only one goaltender in order to help ensure grassroots female teams also have access to goaltenders. U15 AA teams in the AFHL may also roster only one goaltender if necessary to support grassroots female hockey in the area.

## SOCIAL MEDIA

All players, coaches, administrators and parents are encouraged to display positive behavior on social media. Hockey Alberta and the 'League' have zero-tolerance towards negative behavior on the internet. If there are true concerns, please bring them through the proper channels to be handled accordingly.

### **HOCKEY ALBERTA SOCIAL MEDIA POLICY CAN BE FOUND HERE**

## RISK MANAGEMENT

- a. Any injury resulting in a player injured seriously enough to require emergency medical attention must be reported to the Division Governor & Conference Director (if applicable) for information and perhaps insurance purposes.
- b. All players while playing any games in the League are encouraged to wear mouth guards.

## EDUCATION AFFILIATED PROGRAMMING (CO-ED DIVISIONS)

Programs may partner with schools to offer ice times during the school day to players attending a specific school or nearby schools if attendance is not compulsory or directly impactful on a player's role with the team in the Elite Hockey Model.

Due to lack of boundaries in the AFHL U18 AAA division, programs in this division may have compulsory education elements (ie: school players must attend to play for the team) associated with their program.

## TRYOUT PROCEDURE

Host AA and AAA Associations must collect the names of players who register for AA/AAA tryouts from outside the Host MHA. Hockey Alberta has created a form that includes all the information to be collected. The form can be found on the Hockey Alberta Centre Ice Portal. Associations must input the following information for each player into the spreadsheet

- First Name
- Last Name
- Year of Birth
- Resident MHA
- Position

If a resident MHA determines that a player is not in good standing (i.e. player has outstanding fees) and is registered for a tryout, the resident MHA will inform the MHA hosting the tryout and contact the player to resolve the issue. The resident MHA will also notify the tryout-hosting association when the player is in good standing. For players who successfully make Elite teams, a permanent transfer must be requested and approved by the resident MHA. A comment stating the purpose of the transfer is all that is required (Calgary teams may have different processes – please contact Hockey Calgary if clarity is required).

*Players will not be afforded the opportunity to access more than two (2) try outs within a specific category of hockey. See the Hockey Alberta's Bylaws and Regulations, and the below appendix for each division for more information.*

## SCHEDULING

- a. Scheduled League games have priority over exhibition and tournament games as provided by the Hockey Alberta Regulations.
- b. 3 game weekends will be avoided, and only scheduled if necessary (ie. Showcase Events).
- c. Each team, by July 1st each year, will declare one weekend where they do not wish to have games scheduled for the purposes of traveling to a tournament.
- d. Each Host Association is required to bring to the Annual General Meeting a minimum of 30 game slots per U18 AAA team for scheduling.

- f. No games will be scheduled to begin prior to 11:00am. and after 8:45pm (Exceptions could be made for Showcase Events or with approval from the division governor).

## GAME CHANGES

The League websites will host the official schedule. Game changes are only to be used in the event of extenuating circumstances such as:

- a. facility malfunctions
- b. adverse weather conditions creating unsafe travel
  - i. The League will defer to the professional opinion of transit professionals (bus companies) on roadway conditions.
  - ii. In the case that parents are driving to games, it is recommended that the team adheres to the professional opinion of their local bus company.

In the event of a game needing to be changed or rescheduled, the team requiring the change must contact the Division Governor (& Conference Governor if AEHL AA), FloSports (if game was to be livestreamed), as well as the opposing member club with potential alternatives or options. The Division Governor (or conference Governor if AEHL AA) will approve the change and make any necessary adjustments on the Website. Teams shall use the online game change form to request any changes.

*\*All game changes will be at the discretion of the Division Governor and permission must be obtained in writing prior to changes being made.\**

If discrepancies in the schedule are noted on the League website, they are to be brought forward to the appropriate Division Governor for correction.

Game changes in the AEHL AA division for Calgary teams will be handled by the Hockey Calgary Scheduler in partnership with the respective Division Governor.

## TEAM FAILING TO PRESENT ITSELF

- f. The home team will be responsible to arrange officials.

This means at the first stoppage of play after 5 minutes of allowable time is remaining the game clock shall be dropped to 2 minutes stop time. The respective Governor shall have sole discretion to determine the main cause of the delay, and if it was avoidable.

- a. Each Division Governor has the power to issue suspensions in accordance with the Hockey Alberta Minimum Suspensions.
- b. For indefinite and accumulation suspensions, the Vice-Chair (conference Director for AEHL AA) will issue the final suspension, in consultation with the Division Governor and Hockey Alberta.

**The 'LEAGUE' will follow the Hockey Alberta Minimum Suspensions for all suspensions and those suspensions cannot be appealed when only the Minimums are enforced.** Please note that there are also cumulative suspensions that are in effect in all divisions of play and are enforced during league, exhibition, tournament and Provincial Play. Suspensions incurred at the end of the season are subject to carry over suspensions.

When a suspension occurs, it must be served in the next consecutive games (league play, sanctioned tournaments, Provincial Play or Hockey Alberta sanctioned events). Exhibition games do not count as suspended games. Players cannot play in exhibition games while serving a suspension.

1. Teams that host Spring Identification camps may choose to commit up to 6 roster positions to players for next season. There are no positional maximums – positions committed to are up to each team.
2. The Elite Committee does not have any set guidelines on Spring Camp format as it relates to camp duration, registration cost, number of ice times, number of off ice sessions, or dates the camp can be hosted. The Elite Committee does, however, encourage teams to not host camps after June 1 in order to allow athletes to pursue other sports and allow their body to take a break from the rigors of hockey.
3. Spring Camps are to be identification camps, where all players who participate must be permitted to return to tryout for the team again during the official tryout period in August prior to the season beginning.
4. AAA teams must submit the list of committed players via Hockey Alberta's online form prior to August tryouts beginning. Once a player has earned commitment from the AAA team, the AAA team may not revoke that commitment without written approval from the Elite Male Committee. Penalties incurred in overtime result in playing 4 on 3 (if they aren't coincidental) or 5 on 3 as the number of penalties dictate.
- When a player returns to the ice following the expiration of their penalty, play continues at that numerical strength until the first stoppage (4 on 4 or 5 on 5).
- Players assessed Game Misconducts cannot return for overtime.
- Players whose penalties don't end before the end of overtime (10 min misconduct) cannot return either.

The same process will be used to determine the rest of the rankings with regards to tied teams. The highest seed will be considered the "home team", jersey color and last change will apply.

# APPENDIX IX: AFHL U18 AAA

## TEAM FORMATION

Players who have completed one year or more U18 Female AAA must declare by May 30 that they wish to return to their current team for the next season. Associations are responsible for the formal commitment process. After May 30, players who have not formally recommitted to the team, will be considered eligible to move to another U18 AAA team.

Identification Camps may only occur after the conclusion of the hockey season and prior to August 15. Identification Camps can be used to by U18 AAA to identify players that they wish to invite to attend Fall Tryouts. The Elite Female Committee does not have any set guidelines on ID Camp format as it related to camp duration, registration cost, number of ice times, number of off ice sessions or dates the camp can be hosted.

Prior to August 15, each U18 AAA team has the ability to formally commit to a maximum of six (6) athletes. All commitments must be made formally by using the “Player Agreement” form.

U18 AAA must invite a minimum of 25 athletes (no maximum) to Fall Tryouts. Any athlete who receives a U18 AAA Fall Camp Tryout has seven days within receipt of the invitation to inform the team of their intention to attend (or not attend) the tryout. Associations are responsible for management and acceptance of invitations. Teams are permitted to add players to the invitation/tryout list at any point during the tryout process, this includes second tryout skates.

Each U18 AAA Team will be permitted to register a maximum of 18 skaters and 2 goaltenders at any one time during the season. Of their 20 player allotments, the team can only register a maximum of seven (7) first year U18 players (15 year olds).

## OVERTIME

- During the Regular Season at the end of regulation, if a game is tied a 5-minute overtime will be played 3 vs. 3.
- If a team is penalized at the end of regulation, penalties carry over to the overtime period. The teams play with the same numerical strength as they would if it wasn't 3 on 3 (ie. game stays 5 on 4) - until the 1st stoppage in play. Then format reverts to 3 on 3. Penalties incurred in overtime result in playing 4 on 3 (if they aren't coincidental) or 5 on 3 as the number of penalties dictate.
- When a player returns to the ice following the expiration of their penalty, play continues at that numerical strength until the first stoppage (4 on 4 or 5 on 5).
- Players assessed Game Misconducts cannot return for overtime.
- Players whose penalties don't end before the end of overtime (10 min misconduct) cannot return either.
- Teams will not change ends for overtime.
- There will be a one-minute break between the end of regulation and the start of overtime.
- If the game is still tied after the 5-minute Overtime period, then the game will proceed to a 3 versus 3 player shootout conducted in penalty shot format.
- The home team will determine which team shoots first. If still tied after three players from each team have shot, the shoot out will continue until an advantage is determined. One opportunity per player, until all players have been used.

## TEAM FORMATION

The Elite Committee and the Member MHA's have instated tryout cut down dates (and correlating numbers) in order to keep players moving through the tryout process. These dates ensure that the players who are cut may have the best possible chance of making another team. Coaches need to adhere to these timelines in the best interest of the athlete.

A player must try out for the team in the Recruitment Area where the player resides (unless previous approval has been obtained through the Elite Player Movement process). If the player does not make their Resident Recruitment Area team they have the following options:

- request that the AFHL Committee direct them to move onto a second "AA" try out by attaching an Elite Waiver form to their original NTO;
- return to their Resident LMHA to access other minor hockey programs.

Players will not be afforded the opportunity to access more than two (2) try outs within a specific category of hockey. A player making any designated "AAA" or "AA" Team will receive permission to play for the season and will be returned to her Resident LMHA at the end of the season.

Players are afforded the opportunity to try out for two programs at each Level within the AFHL, however AA Players need to apply to the AFHL Committee in order to be placed for a second tryout. - o In instances where a playoff match up involves two Associations whose Home Arenas are further than 150 kilometers, the Highest Seeded Team will host ALL GAMES; they will be considered “home” for the first game and “away” for the second game (for the purpose of jerseys and last change).

The Final Five Showdown will consist of a round robin format, with each team playing four round robin games, the highest seeded team from the regular season will be considered the “Home” team during the Round Robin.
