

Baytex Energy Centre

- For practices players will have access to dressing rooms 15 minutes prior ice time and vacated within 15 minutes after.
- You can now bring your bags and dress in the allocated dressing room.
- The spectator area for practices remains lower level and spectating area can accommodate 41 spaces.
- For games/events access to dressing rooms will be extended to 30 minutes prior ice time and vacated within 30 minutes after.
- The spectator area for games/events is the upstairs spectating area and can accommodate 70 spaces with the absolute maximum not exceeding 100 (including security, volunteers etc.)
- The concession will reopen for games/events.
- Showers facilities are now open for use, only during allocated time within dressing room.
- Area maximums must be maintained.
- If a participant cannot tie their own skates they are to come with their skates on with hard guards in place (only members of the individual cohort are allowed in dressing rooms, parents are not part of a sporting cohort)
- Linger/gathering in common area is not permitted.
- Teams are responsible to manage the fans and must maintain covid-19 information sheets with contact information for contact tracing.
