MESSAGE FROM THE PRESIDENT

2024 has been a year of transition, change, learning curves, and new beginnings. After 18 years, Peter Wolters, who had served as the consistent face of PEI Soccer, has moved on. His knowledge of daily operations was highly valued, and his departure was a significant loss for our organization.

We extend our gratitude to Nick Murray for stepping into the role of Interim Executive Director while we established our footing and determined the direction we wished to pursue with PEI Soccer.

Although the process took longer than anticipated, I am pleased to introduce Jason Eden as our new Executive Director. Jason brings extensive soccer knowledge from his roles in Ottawa clubs and refereeing on PEI, along with substantial business and HR experience to guide us forward.

This year, we registered a record 6,598 players. Congratulations to everyone for promoting soccer on Prince Edward Island. Our goal is to exceed 7,000 registrations this year. Notably, the number of U3-U5 mini players is our highest yet—well done on strong grassroots programming.

Our provincial playoffs included teams from across the island, and we thank Summerside for hosting the U13 playoffs, allowing the children to play under the lights, which was a highlight for them.

Senior soccer continues to be as popular as ever, with the men's and women's leagues, both outdoor and indoor in the fall and winter, operating at close to capacity. Games are always passionate and closely-contested, and we thank those clubs who continue to run and support senior teams.

This year, we hosted our first coaching day with 30 coaches attending. We aim to increase attendance this year to grow this initiative and bring together our coaches for development.

Congratulations on all the successful summer tournaments. Thanks to our dedicated coordinators and volunteers, we attracted teams from off-island, showcasing our excellent organization.

We continued our All-Star program, inviting players from across the Island to be recognized at UPEI or Holland College. As their team's all-star, they received a shirt, certificate, and a pizza party while watching the game.

We had a record number of U11 teams, with 73 teams participating from across the island, showing continued growth in this age group. We are collaborating with the clubs for the 2025 season to enhance this age group further.

Some exciting success stories include Joelle Bader, who has been training and playing with the U17 National Team in British Columbia. Joelle was called up to play at the Costa Calida MIMA Cup. Nicolle McInnis, a former PEI Soccer and Holland College player, has been appointed as the manager of the Canadian Women's Team, and James Mallard, another former PEI Soccer and Holland College player, is assisting at Canada Soccer camps. Our U15 Boys FC won a gold medal at the Canada Youth Cup in Halifax, and our U15 Girls took home the bronze.

Four of our referees were sent to Nationals in Cape Breton last year, and two referees went to Montreal to work toward their provincial certification. Two referees received their regional certification, and three referees officiated the Wanders U21 vs. Middlesbrough game, which was a significant accomplishment.

The Soccer Banquet recognized players, coaches, volunteers, referees, and Lifetime members. This year's Lifetime members were John Diamond and Bruce Norton, who have made significant contributions to PEI Soccer.

In 2025, we will support our Canada Games teams' path to Newfoundland in August, and we will host the U15 Nationals in October. The Pro Women's team, The Tides, will have their first home game on April 26th in Halifax. We wish Lewis Page success in his new role. Additionally, we welcome Jed Davies to UPEI as the new head coach.

This year presented its challenges, which we faced and learned from to improve. Soccer on the island is diverse, with many different cultures, and we need to embrace, coach, communicate, educate, and celebrate to become a stronger association for all our members. We need to grow together, not apart.

Thank you, Nick, Graeme, and Kyla, for your work this year. Your efforts provided a clear understanding of the association's needs for progress. Your commitment to our success was greatly appreciated.

Thank you to my board for your extra work and dedication during this transition. Your commitment is commendable. Despite many challenges this year, we overcame them through teamwork, and I am grateful for this. We are making a difference. It is a pleasure to work with and alongside each of you. I look forward to seeing what 2025 brings us.

Lori Lund- President, PEI Soccer Association
