The following Referee Fees are paid to the referee/s at the field prior to kick-off:

- * Referee game fees are to be provided by the home team in Youth games
- ** Referee game fees are to be split evenly between teams in Senior league games
- *** In a Senior game, for a 2-man referee system, each referee will receive \$60.00.

The following fees will be paid by PEISA:

**** All playoff game referee fees

To support our referees while also encouraging environmentally responsible practices, we have updated our mileage compensation policy for the upcoming Summer season. Referees who drive more than 15 km round trip to officiate a game will be eligible for mileage reimbursement (Provincial Government's standard mileage rate X 0.85).

Please note the following important details:

Mileage reimbursement will only be provided to referees who use their own personal vehicle to travel to and from the game. When possible, we strongly encourage carpooling as a way to reduce our environmental impact. Carpooling referees are not eligible for individual mileage compensation, only the driver. Reimbursement will be issued in a single payment at the conclusion of the entire Summer season.
