MESSAGE FROM THE PRESIDENT

Soccer on PEI had another good year in 2022. The year saw our numbers of registered players break the 6000 mark giving a solid message that soccer is strong and in very good shape on PEI.

Across the province our clubs went above and beyond to prepare and offer great programs for our youth and senior players. The hard work and dedication to the people in our clubs has always been, and continues to be, a driving factor in our success throughout the soccer community. Thank you all for your support.

The U15 nationals were hosted by our Association in Charlottetown and as in past nationals hosted here, it was a great success. A big thank you to all the committee members that worked hard to make it such a success. Many of them have worked the last three and four nationals we have hosted and bring untold experience with them.

The Provincial and FC programs had a good year with many well placed finishes.

The U15 FC Girls team finished the season with a silver medal at the nationals. The semi-final against Ontario in Cornwall and the gold medal game at UPEI were attended by huge crowds and both were very exciting to watch. For their hard work training and playing, the team was awarded both the PEI Soccer Team of the Year award as well as the Sport PEI Team of the Year.

I would like to thank the PEI Soccer staff for their hard work, effort and tireless dedication to running our operations and programs. They are a large part of our success. The executive board of PEI Soccer is a very experienced group of people who do a great deal of work for our sport and for that I thank them.

Finally, I want to thank Peter Wolters for the work he does for the Association. He is instrumental in our day to day operations and works closely with the executive to ensure everything is running smoothly.

Respectfully Submitted,

Kirk McAleer - President PEI Soccer Association

MESSAGE FROM THE EXECUTIVE DIRECTOR

Although covid-19 tried to take a bite out of a third consecutive year, it was only able to put a dent into activities in January before we could run our programs again and have a great year.

We have to go back to 2004 when the Association last topped the 6000 registered member mark at 6039. PEI Soccer Programs and Leagues were filled to capacity thanks to the hard work of all our volunteer administrators, coaches and managers at our member clubs. They keep performing at an outstanding level even as more demands are placed on them every year.

Our teams returned to participation in the Atlantic All-Star Championships with great success. A couple of close 1-0 finals kept a couple of teams from capturing gold and only one team out of eight lost out on a medal in penalty kicks.

The Canada Games teams were in action after a year delay and the girls team had a great season in topping the table in the NB Premier soccer League before heading off to the games and finished a best ever 7th place after a tough loss in penalty kicks to NB which could have seen them playing in the 5th/6th game.

The success on the pitch continued with a silver medal for the PEI FC U15 girls team on home soil at the U15 National Club Championships. The accomplishment also earned them Team of the Year honours at the Sport PEI Awards.

Unfortunately, we lost a great team member as our Technical Director, Jonathan Vos, of 10 years has decided to move on to other opportunities. We wish to thank Jonathan for everything he has done for the Association and wish him all the best in his future endeavours.

The challenges for the future remain but with them come opportunities and we look forward to plotting a new and exciting direction for the Association which will start with welcoming our new Program Coordinator - Nicole McInnis to the team in 2023.

Thank you to the Provincial and Federal Governments for their support of amateur sport in the Province. Thank you to the PEI Soccer Board members for guiding the Association through a couple of tough years and coming out stronger than ever.

We look forward to another successful year on and off the field.

Respectfully submitted,

Peter Wolters - Executive PEI Soccer Association
