MESSAGE FROM THE PRESIDENT

I want to start by congratulating all our clubs on a successful 2023. Soccer is strong on our Island from tip to tip and still growing because of the arduous work from all you.

I stepped in to this position last year midterm and I want to Thank You all for giving me the chance to be President. I'm proud to be the first female president of PEI Soccer.

Over this past year I believe we have accomplished some wonderful things and we are looking forward to what 2024 brings. Some highlights are our membership numbers are up and growing, all our teams did well at Nationals and were competitive in every game with our U15B playing for Bronze, Atlantic's were a success with our u14B team bringing home gold, our officials were recognized at club Nationals and did well with a PEI referee getting the gold medal game. At the grassroots level we had more coaches trained properly and taking courses to learn, our clubs had successful tournaments for our players and we see more camps being held for our players to develop.

The one thing that we are most proud of is bringing back the soccer banquet as this night brings us all together to celebrate our accomplishments, our athletes, our officials, our volunteers, our sponsors and our life members. It is a chance for people to shine and be recognized for the amazing accomplishments they do or did for our sport. It was an honor to recognize the three life members Daphne Andrews, Bill McKinnon, and Fred Foster and what they brought to the game on PEI was tremendous.

In 2023 we lost Jon Vos as our Technical director and hired and lost Nicole McInnis as our program coordinator. Congrats to Nicole for your new role with Canada Soccer's National Womens team.

We have not had the balance in the office, regarding staff; I am happy to say that starting in 2024 we have a full office again and things are moving along. Welcome to Kyla and Nick as part of our team. Also, our board has transitioned to a working board and now each member has a committee to look after to help grow and protect our game; they collaborate closely with our staff to help implement any changes that we determine are needed.

I would like to recognize Peter and Graeme for everything they did last year during our transition year they kept us always moving forward making sure everything was taken care of no questions asked. Their dedication, teamwork, loyalty, and amazing work ethic kept us going and we are grateful to them. Thank You

I have the pleasure of working with our board of directors and you are an amazing team. I am honored to be able to lead you and work beside all of you. Your dedication, passion, knowledge and the ability to change and grow with everything we are doing is amazing. Thank you!

Lori Lund – President, PEI Soccer Association

MESSAGE FROM THE EXECUTIVE DIRECTOR

A record setting year in player registrations with 6223 was among the highlights for the 2023 season.

PEI Soccer Programs and Leagues continue to fill to capacity thanks to the hard work of all our volunteer administrators, coaches and managers at our member clubs. They keep performing at an outstanding level even as more demands are placed on them every year.

The Provincial teams participated in the Atlantic All-Star Championships with great success.

The Under 14 Boys team captured goal in Cornerbrook, NL.

The success on the pitch continued for the PEI FC teams. Although no medals were captured at the nationals this year, it was the best overall performance with no team finishing lower than 7th place. The U17 Boys took the eventual champions to a shootout in round robin play and the U15 Boys lost in the bronze medal game.

It was not just players that had great success on the field but also our officials. Four members participated at the Under 17 Nationals in Moncton and Brandon Lund was selected to referee the final. Congratulations to Brandon on the honor of being selected to referee the final in a national championship.

The PEI Soccer office is still going through a staffing transition with the Program Coordinator position being filled in early 2024 and the creation of a League Coordinator & Referee Development position starting at the end of January 2024.

The move to providing staff resources to Referee Development is long overdue and we look forward to the assistance that the position will offer the Referee development Committee. The staff position will also bring all leagues under one roof which will also help further develop the leagues and players.

Thank you to the Provincial and Federal Governments for their support of amateur sport in the Province.

Thank you to the PEI Soccer Board members for guiding the Association through a couple of tough years and coming out stronger than ever.

We look forward to another successful year on and off the field.

Respectfully submitted,

Peter Wolters – Executive Director, PEI Soccer
