Message from the President

The sport of soccer and the PEI Soccer Association have experienced another successful year. Our clubs have been able to maintain a strong player base. The media exposure from U-20 Women's World Cup Championship in Canada and, in particular, Moncton was a positive.

The Leagues operating under our sanction are strong. The Indoor programs and winter leagues continue to develop and are positive. The Norton Diamond Indoor Soccer Complex facility has received the new turf. Sponsorship arrangements with Subway and Umbro remain strong. The GOALLINE network continues to develop and provide the Association with the tools to administer registration and scheduling. The key to success is clear communication with all members.

Again a highlight to my year was the wrap up for the U12 program. I had the great pleasure to watch the year end competitions with great representation from across the Province. As with any changes, there is room for tweaks and improvement but overall reviews were favourable. Our job now is to ensure that the Long Term Player Development plan is strengthened at that level and successfully implemented at the lower levels so that we attract players to the sport and keep them. To that end it appears planning for U-10 League is underway.

Grassroots plan appears to be implemented by our clubs and being viewed in a positive light. The importance of the first years of soccer cannot be emphasized enough and we have to supply coaches with the knowledge and tools to make it challenging, interesting and fun. To that end it is planned to add two technical staff in partnership with UPEI to add support to the Clubs in implementing this plan.

The Provincial Team Program will continue to undergo change with all players competing in an Atlantic competition. Regional cooperation has lessened but this avenue for developing and providing a pathway for the sport will continue. This Program is needed for player development, coaching development, as well, referee development. This program feeds the Canada Games program which has a four year cycle and is starting this coming year for 2017.

Our association hosted the U14 Sport Check National Club Championships in the Charlottetown area from October 8-13, 2014. The volunteer organizing committee, chaired by Bill MacKinnon, is to be commended for their efforts. Again, our hosting received very positive feedback and was a financial boost to the Association. The teams representing our Association at Regional and Nationals competitions this season had varying levels of success. The general sense is that National Club championships are a valued experience despite the challenges associated with attending and fielding a team. The coaches and players gain valuable insight into the level of preparation and play necessary to compete at these competitions. The success of UPEI Men's Soccer Panthers winning a Bronze medal at CIS National Championship this past Fall is a tribute to our Association as 17 of 22 players that were in this competition were developed under our umbrella.

Again, this year, the Annual Awards Banquet at the Rodd Royalty Inn & Suites was a huge success. Special thanks go to Peter Wolters and Nick Murray for their roles. The support from the membership has been phenomenal making it a very worthwhile endeavor. Although the banquet is viewed as a worthwhile event, the costs continue to rise so consultation with clubs will be taken to determine its viability.

Thank you to Peter Wolters and Jonathan Vos for their work on behalf of the Association. Working for a volunteer organization is never any easy task and both have handled it very well. Thank you to my fellow Executive members: Fred Foster, Sue Deighan, Mike Goeseels, Blair Weeks, Bruce Norton and Jim Chandler for your support. Fred Foster and Sue Deighan have decided not to re-offer for the Executive. As board members, they have provided great efforts to the development and growth of the game and their contributions have been truly appreciated.

This summer, Canada is hosting the World as the FIFA Women's World Cup comes to six locations during June and July, 2015. Moncton is a host site and has some great matches scheduled for the region. The year 2015 should be great for soccer.

Respectfully submitted,

John R. Diamond, Q.C.

Technical Report

Coaching Development

The PEISA delivered the following coaching courses in 2014:

<u>Course</u>	<u>Location</u>	<u>Attendance</u>
Soccer 4 Life - Winter	Charlottetown	14M & 2F
Soccer 4 Life - Spring	Charlottetown	9M & 5F
Learn 2 Train - Winter	Charlottetown	6M & 1F
Learn 2 Train - Spring	Charlottetown	5M & 4F
National A License-Part B Toronto		Jonathan Vos

This was the first year for Winter courses and they were well received and participation numbers were strong. Several mentioned the time of year and break down to be much more manageable.

We were able to accommodate smaller groups of coaches with the help of provincial and varsity players.

Coaches Tool Kit

Canada soccer has released the Active Start and FUNdamentals coaches tool kits. Both are available on our website. These kits target each stage of the Long Term Player Development and offer clear instruction as to what topics should be covered and suggested activities for each. It also shows the preferred training model. Learning to Train and Soccer for Life are targeted to be complete by end of February.

C License Coaching Course

Jonathan Vos completed the CSA Learning Facilitator Course to be able to teach the new CSA C License coaching course which will be the first course in the Licensing stream. It replaces the pre-B course but will focus more on the technical needs of coaches at the youth age levels. The C license will be delivered by each Provincial Soccer Association. This will become a requirement for coaches looking to achieve their Provincial B and National B levels.

Coaching Symposium

Sylvie Beliveau from CSA came to Island in late May for a Friday evening classroom presentation and on field sessions on Saturday. We had a total of about 20 people attend. The focus of the event was grassroots learning and preferred model of training (station work).

All clubs were asked to have a minimum of two representatives at the symposium. Eastern Eagles, Kensington, Sherwood-Parkdale and Winsloe- Charlottetown were all present for the two days.

Follow-up visits were made to clubs above to help educate coaches and implementation.

We are looking to continue to build the coaching symposium weekend but the support of the clubs is needed. In 2015 we would like to see all clubs using the preferred training model (station work) recommended by CSA.

Grassroots Funding

Applications were received from clubs by second week of June. \$18,000 was used between the twelve clubs this past year.

Clubs received Active Start packages to assist them with U4 and U6 program delivery.

Provincial All-Star Program

The Provincial All Star teams for boys and girls from U13 to U16 trained throughout the Winter and Spring months and competed at the Atlantic All Star Championships. Players at the U15 and U16 level had the opportunity to be selected for Team Atlantic.

- See Appendix A for Team Rosters

Team Atlantic Program

In 2014, Nova Scotia withdrew from Team Atlantic so only players from New Brunswick, Newfoundland & Labrador and Prince Edward Island were selected to represent Team Atlantic. Players were selected from the respective Atlantic All-Star Championships.

The Canadian Soccer Association did not host a National All-Star Championship in 2014. Team Atlantic travelled to British Columbia to take part in the 2014 Pacific Challenge Series. Nineteen Island players were selected to Team Atlantic Teams.

- See Appendix A for Team Atlantic Island Players

Grassroots Player Development

Indoor Soccer Programs were held in the Winter, Spring and Fall and continue to be well attended.

- See Appendix A

Director of Officials Report

During the 2014 season PEI referees had many levels of opportunities to show their abilities and gain experience. There were the U-14 Atlantics, the U-16 Club Nationals and the Men's CIS Championships and each had our local referees taking various levels of involvement. Club tournaments and Provincial Finals gave our officials a chance to be assessed and gain pointers on becoming better officials.

The Atlantic U-14 All Star Tournament was officiated with 10 local officials. Each of the 16 games had 4 officials and all were assessed. This tournament continues to be one of our main development opportunities. It gives our young officials experience working in a team of four on a game. They come into this tournament knowing the expectation is high and every year I am amazed at the professional attitude they bring to the table. All the games are assessed. Referees, A/R's and 4ths are debriefed after the game and given positive and working points. The assessors note the improvement on the working points throughout the tournament and usually see improvements in these points.

The Club Nationals were again a successful tournament with 12 local referees getting to work with national officials. I was also appointed as an assessor to this tournament, the first such appointment for a PEI assessor. We again looked to Nova Scotia and New Brunswick for support for the tournament.

UPEI hosted the CIS Men's Soccer Championships. This was another development opportunity for some of our local officials. Cory Deagle worked two games, one as an assistant referee and he refereed a game on day two of the tournament. Both appointments were given good assessments by the National Assessors on hand for the tournament.

There were 95 referees registered this year including 28 newly certified officials. We had five assessors out looking at our referees. Ian Fradsham took the lead on seeing our new officials on the field providing feedback and support. Thanks to Nick Murray as well. As a coach at the under 12 level he got to see many of our younger officials. He provided great feedback for us to follow up.

I would like to recognize our 2014 PEISA award winners. Tyler Deagle was our Junior Referee of the Year and Mike Kok was the Senior Referee of the Year.

I would like to thank the members of the PEISA and the PEISRA for their hard work and support. A special thanks goes to Fred Foster, outgoing Vice President of the PEISA. Fred has been a tireless executive member for quite some time. He was instrumental in the revamping of the PEISA Constitution and our Policy and Procedures Manual, two very important projects that will help the ongoing operations of the PEISA.

Jim Chandler,
Director of Refereeing

Competitions Report

The summer and fall of 2014 was again another busy time for PEI teams competing at Atlantic Championships, locally in the Provincial playoffs and nationally at the National Club Championships. PEI sent a full complement of teams to all competitions with the exception of the senior women's division at club nationals.

The National All Star competition did not operate as it has in past years. The U15 and U16 boys and girls Team Atlantic teams consisted of players from NB, NL and PEI and competed at the 2014 Pacific Challenge Series hosted by BC Soccer and UBC.

The Atlantic All-Star Championships continue to be held at the U13 to U18 levels.

- See Appendix C for results

Island teams proudly represented their respective clubs at the National Club Championships across the country.

- See Appendix C for results

To all those coaches, managers and even the parents who committed countless hours in training, transporting and raising money to allow our players a chance to play our game, I would like to say thank you on behalf of the PEISA and congratulations for all your hard work, support and dedication.

I would also like to acknowledge and thank all of our Provincial Reps who volunteered their time and holidays to act as the head of delegation for our teams competing at Atlantic and National Championships.

I am also a member on the CSA Competitions Committee. As a committee, it is our role to approve the locations of the National Championships, report on the events, approve changes to the rules and levy sanctions that may result from the competitions. Members from this committee are also assigned the responsibility of being the CSA Rep at each National Competition. In 2014, I was given the opportunity of being the CSA Rep at the U18 National Club Championships held in Surrey, BC. It was a great experience being in charge of this Championship and I look forward to doing this again in the future.

Domestically, our provincials worked well again and will be covered under separate cover by our Youth and Senior Directors.

This will be my last report as I am stepping down as the Vice President of the PEISA. I would like to thank everyone who has supported me over the years in this sometimes demanding position and look forward to seeing you all out there on the pitches next year.

Respectfully Submitted
Fred Foster
