Message from the President

The sport of soccer and the PEI Soccer Association have experienced another successful year. Our clubs have been able to maintain a strong player base. The media exposure from the Women's World Cup Championship in Canada and in particular, Moncton, was a positive.

The Leagues operating under our sanction are strong. The indoor programs and winter leagues continue to develop and are positive. Sponsorship arrangements with Subway and Umbro remain strong. The GOALLINE network continues to develop and provide the Association with the tools to administer registration and scheduling. Key to success is clear communication with all members.

Again a highlight to my year was the wrap up for the Provincial play downs. I had the great pleasure to watch the year end competitions with great representation from across the Province at Sherwood-Parkdale Rangers Soccer Club (U12 Championships) and the Central Queen Clippers Soccer Club (U14-U19). Our job now is to ensure that the Long Term Player Development (LTPD) plan is strengthened at that level and successfully implemented at the lower levels so that we attract players to the sport and keep them. To that end, our staff continues to make club visits a priority.

The Active Start(U6), Fundamentals(U8) and Learning to Train(U10) LTPD stages appear to be implemented by our clubs and being viewed in a positive light. The importance of the first years of soccer cannot be emphasized enough and we have to supply coaches with the knowledge and tools to make it challenging, interesting, and fun. Coaching development appears to be on the right track.

The Provincial Team Program will continue to undergo change with all players competing in an Atlantic competition. This Program is needed for player development, coaching development, as well as referee development. This program feeds the Canada Games program which has a four year cycle. The coaching staff is in place with Lewis Page heading the men's team and Graeme McDonald the women's team.

Our Association hosted the U18 Sport Chek National Club Championships in the Charlottetown area in October 2015. The volunteers, headed by Bill McKinnon as chair of the host committee, are to be commended for their efforts and dedication to the game. Again, our hosting received very positive feedback and was a financial boost to the Association. The teams representing our Association at Regional and Nationals this season had varying levels of success.

The general sense is that National Club Championships are a valued experience despite the challenges associated with attending and fielding a team. The coaches and players gain valuable insight into the level of preparation and play necessary to compete at these competitions. The two host teams at the U18 competition provide great excitement with both teams being very competitive.

Thank you to Peter Wolters, Jonathan Vos, Graeme McDonald and Lewis Page for their work on behalf of the Association. Working for a volunteer organization is never an easy task. Thank you to my fellow executive members Kirk McAleer, Sue Deighan, Mike Goeseels, Blair Weeks, Bruce Norton and Jim Chandler for your support.

Respectfully submitted,

President, PEISA
