Message from the President

Our sport continues to see positive progress.

In 2016, our Association completed consultation with the membership and have developed a Strategic Plan for the next three years. The process and direction outlined in the plan will serve us well in continued progress in the years to come.

Grassroots soccer programming will receive added support with the Canadian Soccer Association's hiring of Jason deVos as Director of Development. Mr. deVos will be the leader in developing programming for coaches and players across the country. It was the Association's pleasure to host Jason for a question and answer session which was well attended.

The Association also welcomed Tony Fonseca, Canadian Soccer Association High Performance Director, as he toured the Province and had an opportunity to view our programs and meet with members of the Association. Our Association also hosted Drew Ferguson, Head Coach for Para Olympic Men's National Team. His visit has led to the opportunity for one of our players to attend the National team camp in 2017.

Our partnership with Vancouver Whitecaps FC will continue to develop in the coming years. It is going to provide another pathway for growth and development of our players and coaches. Our Association has already benefited from the visits from Whitecaps' coaching staff as well as two male and two female players having been invited to the Whitecaps FC's Academy Centre High Potential Prospects camp. Our U-15 female Provincial team will also be attending a Whitecaps Showcase Tournament in 2017 and two male and female U14 players will join the team from Newfoundland and Labrador to participate.

The age change at U-15 and U-17 for 2017 National Championships will provide some challenges but has also provide opportunities to work within the region to arrange for further Maritime competitions at younger age groups. We look forward to implementing the other changes that will see small sided games at the U13 and U11 age levels to fully align with the CSA's Long Term Player Development model.

Our Canada Games program players and coaches have been training hard over the last two years and are entering their final stages of preparation before the Games

takes place in August in Winnipeg.

Congratulation goes out to Lori Lund, manager of the boys Canada Games team and outgoing Eastern Eagles S.C. president, for being named Sport PEI Volunteer of the Year.

In closing, we wish to thank the Club Presidents and their respective club executives for their valuable contributions this past year to the growth of the sport. You, along with the countless volunteers that contribute to your club's success, will always be an integral part of soccer's growth on PEI.

To the senior men, senior women and youth league executives, thank you for your efforts in providing a fun and competitive atmosphere for all levels of play.

Thank you to the Indoor Complex Board on its work that has led to the creation of a great facility and now the complete repayment of the loan to the Province. Our Association now holds the first mortgage on this asset.

And finally, thank you my fellow Provincial Executive Members and the staff for all their efforts during the past year.

Respectfully submitted,

A handwritten signature in black ink, reading "John R. Diamond". The signature is written in a cursive, flowing style with a large initial "J" and "D".

John R. Diamond, Q.C.
President, PEISA
