Message from the President

PEI Soccer and the membership continue to evolve and adapt as we head into the last year of the 2016-2019 Strategic Plan which is guiding us in the development and growth of soccer in this Province.

The direction outlined in the plan has served us well and we will continue to develop and adapt to the circumstances that lie ahead in the years to come.

We wish to send a sincere thank you to all our member soccer clubs and those that lead them in an administrative capacity as well as the many other volunteers within each club. Without your dedication and tireless commitment to provide a place to play for your members, the game of soccer does not exist.

On the field, the Under 11 age group continues to be a successful league and together we will continue to develop the league to maximize the development of the player and the enjoyment they receive from competing against other member clubs.

The Board wishes to thank Lori Lund(Chair) and the Competitions Committee members for enhancing the Youth League experience through a number of promotional and marketing initiatives such as Island wide 'all-star' selections from each club in each respective division.

The men's and women's senior divisions continue to be strong and a thank you goes out to the respective league boards that organize those leagues.

The Indoor Programs and Winter & Fall Senior Leagues continue to grow in registration numbers and are close to reaching the maximum number of player/team slots available.

Our partnership with the Whitecaps continues to grow and develop and in 2018, one player, Riad Jaha - Sherwood-Parkdale Rangers S.C., was selected to join their respective academy team for a tournament in Spain to play against some of the top club academies in the world.

The Whitecaps partnership, University and College League Affiliations offer a great pathway for our players to excel and reach their goals.

We look forward to an exciting 2019 on the pitch. The launch of the Canadian Premier League will be great news for the game in Canada and the summer soccer season culminates with the hosting of the U17 National Club Championships in October.

Respectfully submitted
