Message from the President

We have once again enjoyed a very successful year of soccer in our province. The youth league along with the senior men's and women's leagues, have again provided exceptional leagues for all to play in.

The strategic plan 2016-2019 has been a great tool to guide us in the right direction. There are still a few priorities that need to be completed in 2020. This time line will allow us to fulfill those priorities while at the same time put us in alignment with Canada Soccer's initiative to have all member associations develop their respective plan off the Canada Soccer plan being developed for 2021.

The summer programs along with the indoor programs through the winter led by our technical department have proven to be a very successful thanks to staff members Jonathan, Graeme, Lewis and all those working with them. These programs provide our athletes with a high level of training and offer a clear player development pathway.

Reaching higher levels of play and training this year were four girls and two boys that attended the Whitecaps High Performance Camp in BC while Riad Jaha is playing full time with the Whitecaps U17 Academy team. There was also great excitement when it was announced Ibrahima Sanoh signed on with the Halifax Wanderers of the Canadian Premier League.

We would not have soccer on the Island without the dedication of a large team of officials and we are fortunate to have such a dedicated group. The Referee Association provide direction and guidance to all referees through training, mentoring and assessments.

Hosting the U17 Club Nationals was a huge success. We were once again able to showcase our ability to plan and execute a first class tournament. A huge thank you to the Host Committee for the hard work and hours volunteered to make this another great tournament.

So much of our success rests on the tireless work of the member club executives, volunteers and coaches. Without their efforts and dedication there would not be soccer in our province. There are so many of you that have put countless years into the sport and for that we are thankful.

I want to thank the PEI Soccer board members. They always put the interest of the players and members at the fore front of our discussions and work tirelessly to follow our strategic plan and goals.

And finally, a very large thank you to Peter Wolters our Executive Director. His commitment to running our day to day operations and the support provided to the board ensures our programs and leagues run extremely well.

Respectfully submitted,
