Message from the President

The year 2020 was a year that caused everything worldwide to turn on its head and soccer in our province was no different. With all the hurdles and turmoil throughout the year, we here on the Island have done quite well. Geography and population has much to do with it but there has been a great effort by the residents to adhere to the safety measures as directed by our health department.

Our summer soccer program was late starting with many changes and new processes to follow as brought on by the global pandemic called covid-19. Each club spent many hours preparing for the new rules and processes above and beyond the all the regular tasks that a normal year would require. The extra time and effort continued throughout the summer, monitoring fields and adherence to the new safety procedures. The effort by club volunteers each year to provide soccer in our province is huge but this year was especially monumental. Every year we need to thank the people in our clubs and this year we need to especially do so.

With all the effort put in, we were able to play soccer at all levels from mini to senior, albeit with a number of changes. Many programs were cancelled and there were no playoffs, but in the end we did have a successful summer when considering the challenges.

The coming year will no doubt be another filled with challenges to overcome as Covid-19 still places restrictions on everyday life and we will need to refocus on a number of areas such as our strategic plan. All the safety measures and processes we developed this year will allow us to be well prepared for 2021.

I want to thank the PEI Soccer executive and technical staff for their continued dedication and hard work helping our club members supply soccer for the summer. A special note of thanks goes to Peter Wolters who supplies support to the executive and keeps our daily operations running smoothly. He was instrumental in working with the Chief Public Health Office and our members to create protocols and processes so we were able to play soccer this past season.

Respectfully submitted,

Message from the Executive Director

2020 was a year like no other. After having gathered for our annual AGM on February 29 and looking forward to an exciting year, covid-19 strikes on March 13. Our programs and the World came to abrupt stop as people were required to stay in their homes. How fortunate then were we to be able to get a summer soccer season in when other provinces struggled to contain the virus.

From the day our programs were shut down until getting back on the pitch, the work began to make sure that when the time came for everything to return to some sort of 'normal way of life', that we would be prepared to make sure that anyone that wanted to, would have a spot to play soccer, be physically active and most importantly, be among friends once again. Thanks to all our clubs and to our many volunteers, we were able to make that happen.

Our registration numbers were down; there were no playoffs; no tournaments, no national championships; but we as a group, under the circumstances, accomplished our goal and made it a very successful soccer season.

Social Distancing and hand sanitizing became required activities and part of the routine at the soccer field. A few alterations were made (see Competitions Report) to the playing rules in order to adhere to Public Health safety guidelines to keep everyone safe from the virus.

With our programs up and running the news came that the Canadian Premier League teams would be coming to PEI and playing their season in the bubble known as The Island Games. The teams were restricted to their hotel and the soccer field at UPEI. No fans were allowed at first but with the easing of restrictions, cohorts of fifty fans were able to come and watch the professional game being played in their backyard. An opportunity many of our youth players might not experience again but who knows; might just have inspired one of them to be the next player to make it to the big leagues.

Thanks to the support of the Provincial and Federal Governments, PEI Soccer was able to get through the year and remain financially stable.

We look forward to another year that we know will still be impacted by covid-19, but 2020 has prepared us more than ever to deal with anything to make sure we always have a place to play for those that wish to play the beautiful game.

Respectfully submitted,

Peter Wolters – Executive Director, PEI Soccer

Competitions Report

The Competitions Committee would like to express a sincere Thank You to all the volunteers that made this summer soccer season happen.

Covid-19 delayed the season until late June/early July.

Many people put in many hours to come up with an Operational Plan for each respective club that allowed our soccer season to start and most importantly, provide a place for players to enjoy themselves after having been restricted to their homes for the three months prior

and without the ability to take part in any sporting or leisure activities.

A collective decision was made to eliminate the playoffs this season and to focus on making sure all teams/players would be able to complete a 10 game schedule that would take the season to the end of August. This would make sure that all players remained active instead of having teams/players eliminated by mid-August in order to run a playoff series. To run playoffs into September would be hard logistically as the school season kicks off at that time.

In order to be able to play games, the following changes needed to be made to the playing rules in order to adhere to public health safety measures imposed due to covid-19:

Laws of the Game Adjustments:

-Free Kicks: Except for Penalty Kicks, all free kicks are in-direct. All in-direct free kicks are to be played below knee height level. Fouls that would normally result in a direct free kick that are committed by a defender in their penalty area will be punished by a penalty.

Walls for Free Kicks: Defenders must be (two) 2 meters apart from one another when creating a wall. After the first verbal warning for failure to comply, a yellow card will be issued for unsporting behaviour.

Throw-ins: No throw-ins. The ball must be kicked into play. The ball must be placed outside the line but within 1M. The ball is in play as soon as it enters the Field Of Play. The kick must remain below knee height or an indirect free kick will be awarded to the opponents at the spot of the throw-in. Opponents must be 10 yards from the taking of the kick.

No offside on kick-ins.

Corner kicks: All corner kicks must be kicked in below knee height level. Failure to comply will result in a goal kick to the defending team.

Drop ball: The drop ball requirement has been removed to reduce handling of the ball and has been converted to an indirect free kick. If the drop ball is inside the penalty area after hitting the Referee, the ball automatically goes to the Goalkeeper - the Referee leaves the ball on the ground, and the Goalkeeper picks it up.

Coin toss: No coin toss. The Home team chooses, every game, at every level.

PROVINCIAL PROGRAM

DUE TO COVID-19, THE WINTER TRAINING PHASE WAS SUSPENDED ON MARCH 13.

UNFORTUNATELY, COVID-19 DID NOT RELENT AND THE REMAINING PART OF THE WINTER TRAINING PHASE WAS UNABLE TO BE COMPLETED AND ALL(U13, U14, U15 & U16) ATLANTIC ALL-STAR CHAMPIONSHIPS WERE CANCELLED.

PRIOR TO THE PROGRAM BEING SUSPENDED, THE UNDER-18 TEAMS WERE ABLE TO COMPETE IN THE SOUTH SHORE UNITED SHOWCASE IN BRIDGEWATER, NS.
